

### Archbishop Hints It May Be God's Will That Man End Race With H-Bombs

LONDON (UPI)—Dr. Geoffrey F. Fisher, the archbishop of Canterbury, said today it may be God's will that mankind be destroyed by nuclear weapons.

Dr. Fisher made the comment in a book "The Fearful Choice: A Debate On Nuclear Policy" published today. The author is historian Arthur Toynbee.

The Anglican Church leader, one of 22 churchmen quoted by Toynbee, cited the 34th Verse of the Sixth Chapter of Matthew: "Be not anxious for the things of tomorrow, the morrow can take thought for its own troubles. Sufficient unto the day is the evil thereof."

"For all I know," the archbishop said "it is within the providence of God that the human race should destroy itself in this manner. There is no evidence that the human race is to last forever and plenty of Scripture to the contrary effect."

"Suffering entailed by nuclear war would be ghastly in its scale," he said, but "one must remember that each person can suffer only so much! And I do not know that the men and women affected would suffer more than those who day by day are involved in some appalling disaster."

#### TEMPTATION

MILAN, Italy (UPI)—A pickpocket who lifted Adamo Degli's wallet in a bus gave it back several minutes later when he recognized Degli as the lawyer who obtained his acquittal on a pickpocket charge two months ago.

"I apologize, sir, for not having recognized you, but that bus was just too crowded," Degli quoted the pickpocket as saying.

### Posses Seek Plane Door

HAMILTON AFB (UPI)—A 20-man search party from Hamilton Air Force Base scoured the slopes of Mt. Tamalpais today for a 50-pound engine access door that fell from the belly of a jet plane.

F89J Scorpion about three miles south of Mt. Tamalpais at 6:15 a.m. Sunday. They said a hinge was loose.

The pilot, who was not identified, said he did not see where the door fell because of a thick fog below.

### Emergency Hospital To Be Given

Klamath County Civil Defense facility is due to receive a 200 bed, portable emergency hospital from State of Oregon Civil Defense office in Salem.

The hospital, said Civil Defense Director Buster Gordon, will be set up in a school at Gilchrist, which is on one of the routes that would be used for evacuation if disaster struck here.

Gordon said the hospital, which is being received gratis, will have 200 folding cot-type beds. It will also have its own electric generating facilities, water pumps and all needed medical facilities, such as operating tables, drug storage cabinets, etc.

The unit is due to arrive here any day via truck and trailer. Gordon was recently reappointed county civil defense director by the county court.

He served last year with three assistants who will continue with him in the 1958-59 fiscal year. They are Irwin Searles, Fred Barmore, and Jim Baker.

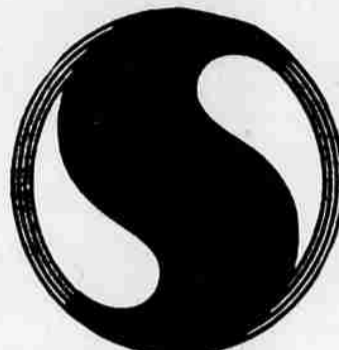

The director's salary of \$100 monthly is divided among Gordon and his three assistants for operating expenses, Gordon said.

#### NOT GUILTY

Wendell J. Eggsman has pled not guilty to charges of cutting another man with a broken wine bottle and his trial in circuit court is scheduled for September 15. Eggsman, free on \$3,500 bond, allegedly cut James Campagna last March 31 during an argument which reportedly ensued after Campagna refused a drink of wine offered by Eggsman.
