Was Nubbin asleep, Corky?

He was pretty drowsy, Hope

Wait, kitty, Nubbin won't hurt you.

He went under the cottage an' it's dark.

Now where did he go?

Kitty got away, but Nubbin catch hop toad.

Oops!

Kitty gone an' hop toad jump back in a lake.

I must have dozed off.

Me, too. I'll go see if Nubbin's all right.

He's right where we left him, but how did his hands and clothes get covered with dirt?
