**MONTAGUE GARDEN CLUB**  
 MONTAGUE — The Montague Little Shasta Garden Club, known formerly as the Shasta Gardeners, will hereafter be designated and known as the Shasta Valley Garden Club. The changing of the name was one of the high points. The club also has transferred its affiliation with the Oregon Federation of Garden Clubs, with its debut into the California Garden Clubs, Inc., under the sponsorship of the Wonderland Garden Club of Red Bluff.

## Long Highway Service Noted

Thirty four State Highway Department employees in the Klamath Falls area received service award pins recently for long service to the department. S. P. Jones, district maintenance superintendent, and Walter F. Uppendahl, shop superintendent, made the awards within their respective departments.

Statewide, nearly 1,500 employees with over 10 years service are receiving awards. Nearly 150 of the awards are for over 25 years service.

The octagon shaped award pin bears a replica of the highway department emblem in red and white. Each pin is inscribed with the number of years service for which it is given. Pins for 10 to 20 years service are silver, and those for 20 to 30 years gold filled. Solid gold pins are awarded for over 30 years service.

Local shop department personnel receiving awards were: George W. Van Horn, 32 years service; Cecil A. Stuart, 30 years; Ernest Trulove, 29; Otto W. Clawson, 22; Keith L. See, 20; Everett E. Kerns, 19; Orin J. Peugh, 19; Charles H. Iversen, 19; Ralph Dougherty, 19; Elwyn Hill, 18; Leonard Lumms, 14; Max Mitchell, 12; and Paul Chenoweth, 11.

Superintendents Uppendahl and Jones were themselves honored with pins, commemorating 20 and 24 years of service respectively, which were presented by L. H. Warfield, Bend, assistant division engineer. Resident Engineer W. Reid Merritt also received an 11-year pin from Warfield.
