

### Reception At Yreka Honors Wayne Richardson And Bride

YREKA — The home of Mr. and Mrs. Paul Foster in Yreka was the setting for a wedding reception on Saturday, July 12, honoring newlyweds Mr. and Mrs. Wayne Richardson with Albert Bozell co-host with the Fosters.

The bride, former Constance Hope Bozell, is the niece of Mrs. Foster and Albert Bozell. The honorees had exchanged wedding vows at a quiet double-ring ceremony in Yreka Methodist Church on June 21 with the Rev. Harold Coleman officiant.

For her wedding the bride selected a blue print afternoon frock styled with a full skirt, short sleeves and a large bow at the neckline.

Mrs. Paul Foster and Mr. and Mrs. John Reiter, were attendants for the couple.

For the reception the new Mr. and Mrs. Richardson cut a beautifully decorated cake, which bore the inscription, "Congratulations Connie and Wayne Richardson."

Attending the reception were the bride's grandmother, Mrs. Laura Bozell, her cousins, Mrs. Burton Dooley and Mrs. Alan Freeman; the bridegroom's stepmother and sister, Mrs. J. K. Richardson and Carol Richardson of Dunsmuir and his aunt, Mrs. Geneva Fillmore of Dunsmuir was unable to attend the reception due to illness.

Others present were Mrs. Lillian Balis, Mr. and Mrs. Fred Caldwell, Mr. and Mrs. Charles Davis, Mr. and Mrs. P. K. Freeman, Mrs. Pearl Freshour, Mrs. J. Foster, Mrs. Lillie Hart, Mrs. Pauline Morton, Mrs. Louie Neves, Mr. and Mrs. William Singleton and Mrs. Elsie Trivelpiece.

The new Mr. and Mrs. Richardson left after the reception for a weekend visit with his family at Dunsmuir.

The bride, who is from Gary, Indiana, was especially delighted the evening of the reception to receive a long distance telephone call from her father, Walter Bozell, who lives in Gary. She has been living at the Paul Foster home in Yreka where she is an employee of the J. C. Penney Store.

Richardson, formerly of Dunsmuir, is employed by Montgomery Ward and Company in Yreka, where the couple is now at home.

An open-air theater in Berlin, Germany, called the Waldtheater seats 25,000 and is one of the largest in the world.

### Willy's Mirror

A MEMO from Theresa Vaughn written on a San Francisco School of Fashion Design letterhead was received earlier this month—and excerpts from it might be a pleasant surprise to Margaret Osment, a student at the school, presently in Klamath Falls for summer vacation with her mother, Mrs. Genevieve Schweigert, 316 East Main.

In the school's recent annual fashion parade, Theresa Vaughn said that Margaret demonstrated her potentialities as an all-around designer with her presentation of a dawn to dusk wardrobe designed for resort, casual, street wear and for after-five witchery. Specially noted as outstanding were her beach suit of white waffle knit with collared pullover and narrow slacks; a tailored chemise of navy Serrano spiced with a white picnic collar and hip-deep dickey; and a cloud of black nylon lace over gold taffeta for dancing. The memo also said that Margaret was a most interesting and capable girl, and that she had been given the responsibility of supervising the daily exercises, which precede the students' training as fashion models.

Local girls who want originality and an expression of individuality in their wardrobes will be interested to know that after completing her training in pattern designing, draping textiles, line, color, construction, history of costume and sketching — Margaret plans to open a custom shop in Klamath Falls.

### BIRTHDAYS

are very special occasions in Larry Brown's family—and he's about to have a very VERY special one this weekend—you'll have to ask him WHICH one—and relatives are coming from all directions to assure proper celebration of the anniversary. THEY'LL have the enthusiastic help of Klamathite friends—so it promises to be a festive event at the Rocky Point on Upper Klamath Lake.

LEN AND MINNIE SURLS—popular couple who have contributed much to this community will be two good citizens lost to Klamath Falls and a gain of two for Orange, California, where Len (at KUHS for 11 years—3 of them as head track coach)—has accepted a teaching job in the high school. "Two should be four" to include outstanding junior citizens—the Surlis' two sons, David, 13, and Dennis, 10. Minnie, a PE major—taught at KUHS—part in her own field and also other subjects—later she substituted (by choice to have some time for home and other interests)—but found that she was substituting on a full time basis. Besides teaching—her voice was familiar to radio audiences—and her personality sparkled in local stage productions. The Surlis will be greatly missed from the local scene—and fond farewells being said at various parties for them are a bit on the pensive side.

THE DRUECKERS—Archie and Letty—are a courageous couple who not only moved from 315 Pacific Terrace to their new home, 1254 Melrose this summer, but took a month's trip besides. Either one would be a man, undertaking to most of us. They took the Canadian Pacific route across Canada to Quebec—then down to Boston, Washington, D.C. and New York—before returning home via St. Louis and Denver. Highlights of the cross-continent excursion were the boat trip across the Great Lakes—Letty says that the Canadian Pacific Railway goes all out for passengers on the two night voyage— "simply scrumptious food!"—and the stop in Ottawa where they met a member of the Canadian parliament who gave them a card of admission to the opening session of Federal Parliament there — thrilling experience. They didn't fare so well in DC—although they called at the White House, neither Ike or Marmie came out with any "so surprised to see you" greetings. But then of course "the D's didn't send word ahead that they'd be there on that day, either.

FORMER NORMA GREEN (Mrs. Johnny Paris) —Harris Photo, Merrill

Bridal Shower  
MERRILL — Norma Green, daughter of Mr. and Mrs. Harlan Green, was feted on Wednesday afternoon, July 9, with a miscellaneous bridal shower at the home of Mrs. Joe Scrance. Assisting the bride-elect in opening her gifts was her sister, Joyce Green.

Games were played during the afternoon followed by refreshments served by the hostess to the 26 guests.

Joyce became the bride of Johnny Paris, Malin, the following Saturday, July 14, in Reno.

### BONANZA

TEEN-AGE HOP  
The first of a series of teen-age hops to beat down the new tile floor in the newly remodeled Bonanza Cafe was held Friday night, July 18, with 50 boys and girls attending, chaperoned by Mr. and Mrs. John Brown, Mrs. Howard Kelleston, Mrs. Don Gibney and Mrs. Herman Wolfe.

Rock 'n' roll was enjoyed for several hours followed by the serving of punch and cookies.

Out of town guests attending the party were Janice, Norman and Melvin Cole of Eunice, New Mexico; Sherry Marchant of Merlin, Oregon; Beth and Pam Englemann of Olympia, Washington; and Mike and Susan Wolfe of Bonneville, Washington.

If you're on a diet and your hostess offers you food rich in calories, either take a small portion or refuse it with a minimum of talk.

The guest who reacts as though her hostess is deliberately trying to make her gain weight is a bore to all within hearing.

If showers are getting you down, brighten a walk in the rain with your umbrella. Popular now are dainty nosegay versions, with flowers sprinkled on white acetate covers.
