See BING CROSBY'S

made to measure Levi Tuxedo — on display in our window.

On his way home from a hunting and fishing trip in British Columbia, Bing stopped off at a Vancouver hotel to stay the night. Bing was dressed in LEVI'S, an old wool shirt and had a couple of days' growth of beard to boot. The room clerk refused him a room until one of the bellhops recognized Bing as the great star he is. A few weeks later in Elko, Nevada, where Bing has a large ranch, the town held a celebration to undo the wrong that had been done to Bing in Vancouver. The local people had us make up a special denim Tuxedo to Bing's exact measurements for presentation to him at their celebration. Bing appreciated the Tuxedo which, by its label, guaranteed him admission to any hotel while wearing the Tux, and has worn it on many occasions.

No matter how big . . . or how small, we've a pair of Levi's to fit you. Coordinate the whole family in Levis. It's fun to dress alike . . . and inexpensive.
