

SATURDAY NIGHT'S ROUNDUP DANCE will bring Hurshel Clothier and his Oklahoma Travelers to Klamath Falls for their initial appearance in the Northwest. The Travelers have been organized for 10 years, but they are so well known in Oklahoma, Missouri and Kansas that they have kept busy in that area. Their music is modern western swing with a good program of current popular tunes. The band records for Hu-Se-Co. Saturday's 10 to 2 dance at the Old Armory will also feature Lefty Frizzell, Freddie Hart and Little David who are among the nation's top western stars.

### Woman Plans Island Claim

SACRAMENTO, Calif. (AP) — A woman who says she represents 300 descendants of early California financier Mark Hopkins said last night the group plans to file a claim for Yerba Buena Island in the middle of San Francisco Bay.

Mrs. Estelle Latta of Durham, N.C., said the group also has recorded a notice of interest in about 500,000 acres in Sacramento, Placer and Alameda counties. The land belonged to the Central Pacific Railroad, of which Hopkins was part owner.

Mrs. Latta claims to be a great-grandniece of Hopkins. She is the author of "Controversial Mark Hopkins" and "The Great Rascal," books about Hopkins' activities.

Hopkins joined Charles Crocker, Collis P. Huntington and Leland Stanford to form the Central Pacific, the Western link in the first transcontinental railroad.

Yerba Buena Island is the midway point of the San Francisco-Oakland Bay Bridge.

### Inspector Foils Bank Robbery

SAN FRANCISCO (AP)—Police Inspector Mike Dower was in front of the Bank of America day and night branch when his radio blared: "Bank robbery at Bank of America day and night branch."

Just then a man ran out, pursued by two bank employees. Within two blocks the employees caught Fred Ortiz, 21, who had a paper bag containing \$6,240.

Dower followed in his patrol car and hustled Ortiz to jail. The prisoner was charged with suspicion of armed robbery.

### OTI Dean Talks To Farm Women

Frank Stanko, dean of men at Oregon Technical Institute, spoke on the "Financial Needs of Students At OTI." July 18 before members of the Klamath County Farm Bureau Women.

His topic covered the financial needs of the average student and compared the value of scholarships to a student loan fund. The loan fund, the speaker said, is of far more benefit to the student than a scholarship.

Farm Bureau women here have established a student loan fund for use at OTI and are working out plans to raise money for the fund. The first undertaking will be the dressing of dolls to be ready for a doll bazaar before Christmas. Assistance is being sought from high school girls, alumni of OTI, parents of alumni or other interested persons in dressing the dolls to be provided by members of the Farm Bureau Women. If interested contact Mrs. Fred Rueck, Bonanza, or Mrs. Dot Slinger, Klamath County Farm Bureau office, TU 2-3921.

### 'You All' Found In The Bible

LOUISVILLE, Ky. (AP) — Suppose David had walked up to Goliath and informed the giant: "I'm going to stone you all."

It would have been good biblical language, said P. J. Zondervan, Grand Rapids, Mich., president of Gideons International.

Zondervan said "you all" isn't just a colorful Southern expression—it's found in many parts of the Bible. He added the expression became common in the South because that area is the Bible Belt.

# HOW TO PROVE YOU ARE ABSOLUTELY THE World's Greatest Oregonian

Help Citizens of the Other ~~47~~ States Across the Fir Curtain Into Oregon!

48

What has happened up till now: Thanks to your help the Keep The World Green project was a huge success; the World has never looked so good. Over 63,000 Oregon Firs were sent to people in every one of the 48 other states—and to 80 foreign countries by history's first Fir-lift. So now the tree shipping season is over until next Fall (trees have seasons just like strawberries or apples). You'll be able to send trees again in November; we'll let you know. Meanwhile, we can all take a breather, can't we? No, we can't. Time, tide and the Centennial wait for no man. It's not enough to send out trees, we've got to bring in people.

Out there, on the other side of the Fir Curtain, are 168,000,000 Non-Oregonians. The majority of those deserving unfortunates have never been to our state. A lot of them would visit Oregon and our glorious 1959 Centennial if they could.

What is stopping them?

Well, this may seem hard to believe, but a lot of people out there don't know enough about Oregon—or the Centennial—to have ever thought much about coming here. And maybe nobody ever asked them. Have you?

One thing is for sure: if you don't invite them somebody else will. They'll end up visiting California, Texas, or some other dreadful place instead of our breath-taking, Cascade-studded, ocean-fronted Oregon. What are we waiting for? Let's send them:

### Oregon Passports!

Mail Oregon Passports to your relatives, deserving friends, and business acquaintances across the Fir Curtain. Or if you're going on a vacation or business trip, pass them along in person. These documents will prove beyond all doubt that the bearers are Honorary Oregonians and will more-over invite them to attend the Centennial Celebration.

Important: Every Passport to Oregon must be signed by the World's Greatest Oregonian—you. (Yes, you are and we're going to send you a card to prove it).

How to get Oregon Passports and prove you're the World's Greatest Oregonian:

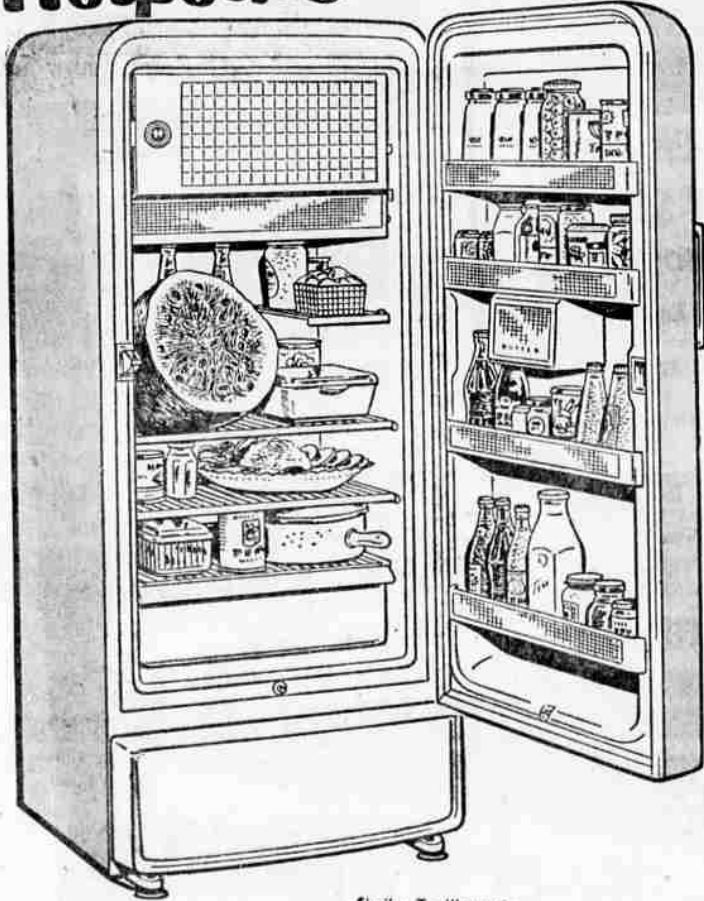

Fill in the coupon below and mail it to us right away. We'll dispatch the documents: a pair of Oregon Passports (if you need more for some special mass rescue job let us know) and a card proving you are The World's Greatest Oregonian.

Dear Blitz: You can count on me to urge a couple of worthy Non-Oregonians to come to the 1959 Centennial. Rush me a pair of Passports which I will issue promptly. Glad you agree I am the World's Greatest Oregonian. Please send along my card to prove it.
