

### Holdup Try By Cripple

NEW YORK (AP)—Mrs. Lena Ernst was driving along Rockaway Parkway in Brooklyn yesterday when she saw a man in a wheel chair thumbing a ride.

She was wary of hitchhikers, but she decided she couldn't pass this one by. So she stopped. A bystander helped the man and his wheel chair into the back seat, and she drove on.

Suddenly a gun was poked against her neck and the crippled man said: "Give me your dough and you won't get hurt."

Mrs. Ernst, 38, spotted a police patrol car as she slowed for a red light.

"Help!" she screamed. "There's a cripple with a gun in the back of my car!"

Two patrolmen rushed over to the car. The man was identified as Stanley Emanuel, 36. The gun was a toy cap pistol.

LEFTY FRIZZELL FREDDIE HART

### Hart, Frizzell Highlight Armory Dance Saturday

The Klamath Basin Roundup Dance to be held in the Old Armory Saturday night, will feature some of the nation's top western talent, including Lefty Frizzell and Freddie Hart, who between them have more hours in television shows than any other two country artists in America. Also to be presented on this "Country Spectacular" program are Little David and Hursel Clothier and his Oklahoma Travelers.

Frizzell, who has many hit recordings and house attendance records to his credit, needs no introduction to western music fans. He is currently the star on the "Town Hall Party" and "Country America" TV programs. He has been guest star on the "Perry Como Show," "Grand Ole Opry," "Ranch Party," "Big D Lamborne," "Louisiana Hayride," and many others.

Freddie Hart has made several hit records for Columbia. In 1956 he wrote and recorded "Loose Talk," the top selling record of that year. He is a regular star on the "Town Hall Party" and "Country America" shows, as well as the "Grand Ole Opry" and "Ranch Party."

### Vicious Dog Not Vicious

SPRINGFIELD, Mo. (AP)—Chico, a German shepherd being trained for police work, was sent to a veterinary hospital with an upset stomach.

But Chico had hardly been admitted to the hospital before he became an out-patient.

Approach the dog with caution, warned police, explaining that he had been trained to be suspicious of strangers.

Two days of futile search passed and then Mr. and Mrs. F. T. Leaming notified headquarters that they had the dog.

He had bounced into their backyard and insisted on shaking hands with their children, the Leamings said.

### Church Planning Bible School

Zion Lutheran Church, Eleventh and High streets, has scheduled its annual summer Bible School for July 28 through August 3. Sessions begin at 1:15 p.m. and close at 4 p.m.

The pastor of Zion, Hugo M. Warnke, has announced that the lessons for this year are particularly timely. They deal with God as the center of every life. They tell how God in six days created all things. This is particularly necessary in this day of doubt as to the origin of our world, says the pastor. Those between the ages of four and 15 are eligible to attend.
