REMODELING

Yes, We're hammering nails, knocking out walls, moving merchandise, all to make your Drews Town and Country store bigger and better than ever. We'll soon boast twice the room of our present store as we take in all the space formerly occupied by the Fashion Villa. We're open for business as usual and hope you will not mind the extra noise and confusion as we help you select for back-to-school. Come in and shop ... we'll shout above the noise as you get well-dressed for higher education. Watch for the grand opening when all the construction is complete.
