Garden Club Meeting Held

CRESCENT — The Gilchrist Garden Club met Wednesday evening, August 6, at the Methodist Church for the purpose of planning the flower show which is to be held Wednesday, August 13, at the church. The flower show is open to the public and those exhibiting need not be members of the garden club. There will be a horticultural division for both annuals and perennials, a division for children under 12 years to enter exhibits of any kind; a division for displaying vegetables and fruits; a division for floral arrangements and a plant collector's corner. The flower show will be open from 6 to 9 p.m. and there will be a silver tea.

The Gilchrist club visited various gardens in the community on Thursday afternoon, August 7. Mrs. George Larimer and Mrs. Roy Larson from the newly organized garden club in LaPine accompanied the group.

Admired by the group were the beautiful flowers in the gardens of Mrs. Guy Ferguson and Mrs. Isom Ezell.
