

Klamath Falls Business Up

A healthy increase in Klamath Falls business activity for the month of July was noted today by the Klamath County Chamber of Commerce.

The chamber, in its current issue of Klamath Keynotes, reported that business in five general categories showed increases over July a year ago.

The largest increase was in bank debits, a widely used business activity index. Debits for last month amounted to \$28,855,017, compared with debits of \$18,828,137 for July 1957.

Other reports for July 1958, with July 1957 figures in parentheses: Postal receipts, \$27,475 (\$24,337); parking meters \$5,084 (\$5,039); building permits within city limits, \$199,949 (\$148,325); water users, 9,012 (8,915).

Also during July: Thirty seven new families, with 74 adults and 32 children, were welcomed to the city. Twelve families came from Oregon communities, 10 from other Oregon communities, eight from Washington, and one each from Japan, England and five other states.

Five new members joined the chamber: Fred E. Barnett Company, Corner Store, G. Fredericks Advertising, Fred Heibronner and the Kimberly Hotel.

Sheriff's Aide Resigns Post

YREKA—After serving in the Siskiyou County Sheriff's Office for seven years as an undersheriff, George Banich resigned his position, his reason being "too many hours and not enough pay."

Banich, before joining the sheriff's office personnel in January of 1952, was a special agent for the Southern Pacific Railroad for 18 years, and was assistant division special agent for the Shasta Division for 10 years.

Sheriff Al Cottar stated that no one has been selected as yet to succeed Banich.

Pay scale for the job ranges from \$436 to \$530, and Banich, at the time of his resignation was receiving \$458.

Mrs. Henry Markus is clerk.
