

Few Oppose New College

WEED — J. E. Hurley, Siskiyou Union High School district superintendent, who has made a thorough study of the Junior College district program, has pointed out that there is almost no taxpayer opposition to the new Siskiyou Junior College, as it will boost Siskiyou County's economy an estimated \$940,100 annually.

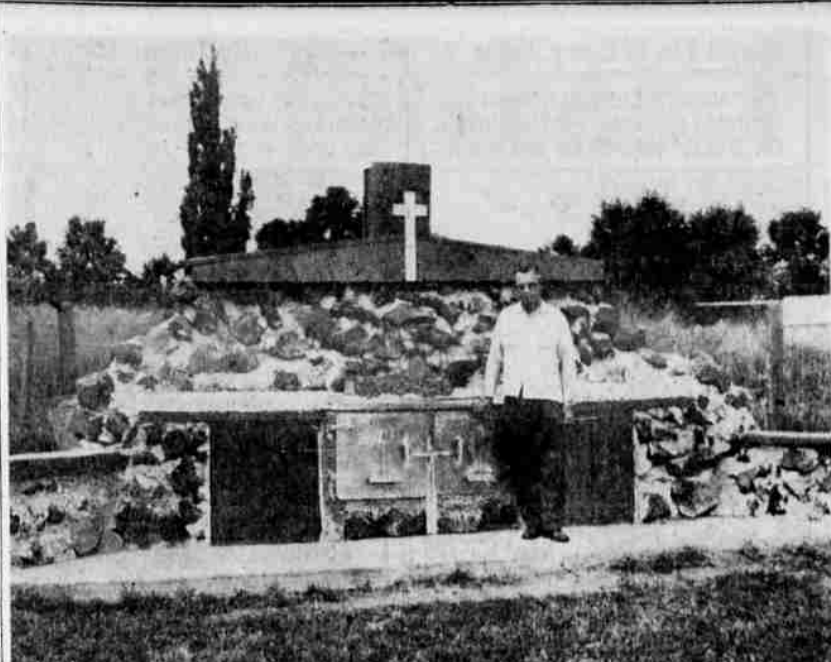

Hurley said, "Taxpayers wary of inroads on their pocketbooks, have had their fears quieted by some interesting facts. They are now paying a hidden tax of \$50,000 to out-of-county junior colleges. They could pay a maximum of \$175,000 with the 35 cents tax rate ceiling allowed, and out-of-county students are draining our economy of over seven times the difference.

"Many taxpayers were astonished to find that the 83 students that left Siskiyou County to go to junior college in other counties in 1954-55 cost this county \$50,479.18. This comes out of county taxes and is paid to the colleges the students attend.

"Siskiyou parents and taxpayers pumped \$135,538.28 into Siskiyou County alone in 1954-55. The tax bill paid Siskiyou College \$38,958.28; the 56 students at \$1,500 apiece for away from home living spent \$84,000; and the state of California at \$225 per student subsidy kicked in \$14,000.

"This amount is for only 56 students," Hurley continued. "The estimated student body for Siskiyou Junior College would be 516 to start."

Hurley concluded that a little arithmetic shows that out-of-county taxes saved, plus out-of-county living expenses saved, plus income from state contributions would add up to \$940,579.18.

THIS ARTISTIC FIREPLACE was completed this summer on the lawn at the parish house of the Community Church of the Brethren by Rev. A. J. Glover, pastor, and volunteer workers from the church.

Pastor E. Glover Resigns To Accept Idaho Pastorate

Rev. E. J. Glover, who served the past two years at the Community Church of the Brethren, has resigned to accept the charge of the Boise Valley Church of the Brethren, near Boise, Idaho. His successor, Rev. Wilbur Brumbaugh, of Whittier, California, has already been named and will be in Klamath Falls Sept. 1. This

terial association, serving as secretary-treasurer for the past year. Mrs. Glover has been active in women's work and currently is serving as first vice president of the United Council of Church Women.

In addition to his work as pastor, Reverend Glover is a hobbyist in horsemanship and novelty building and landscaping. The large outside fireplace on the parish lawn was designed and built by the pastor with the help of various volunteer groups and individuals, and was dedicated August 10 at a lawn service to the use of the church and community. At the close of the party, the Grovers were presented with gifts.

"These have been two wonderful years of meeting some of our country's finest people and being a part of the world's most needed program, that of Christian Fellowship," Reverend Glover said in announcing his resignation.

DREAM
GALVESTON, Tex. (AP) — A mother's dream that her boy was destined to die tragically came true.

Lightning struck and killed Kenneth Luker, 15, of nearby Lamarque, as he rode his bicycle.

Mrs. Allen Luker told of the dream after being notified of her son's death.

Luker's companions—George Allen, 7, and his brother, Sonny, 10, were uninjured.

HEALTHY
CHICAGO (AP)—For the first time in more than 45 years, not a single case of polio has been reported in Chicago by mid-August and health officials credit the city's extensive program of Salk vaccine inoculations.

Nearly 5,400,000 Salk shots have been administered by the city Board of Health and private physicians since April 24, 1955, said Dr. Herman N. Bundesen, president of the Board of Health.

Supreme Court Rebuff Try Fails By One Vote Margin

WASHINGTON (AP)—By a one-vote margin, Congress members who wanted to hand the Supreme Court a major legislative rebuff have been defeated.

The bitter battle reached a climax in the Senate Thursday night. A 41-40 vote killed a bill designed to prevent the court from striking down state laws not in direct conflict with federal laws on the same subject.

The vote came on a motion of Sen. John J. Carroll (D-Colo.) to send the measure back to the Senate Judiciary Committee.

Twenty-seven Democrats and 14 Republicans teamed up to put the motion across. Voting in opposition were 17 Democrats and 23 Republicans. The count was tied at 40-40 when Sen. Wallace F. Bennett (R-Utah) cast the decisive vote.

The House passed the bill last month by a 240-155 vote, ignoring warnings that President Eisenhower might veto it.

The bill provided that federal laws should not supersede state laws in the same field unless Congress said so or unless there was a direct and irreconcilable conflict between them.

It also contained a provision specifically restoring to the states the right to enforce their own antisubversive laws—a section designed to overcome the effect of the Supreme Court's decision in the Steve Nelson case.

Nelson, a Pennsylvania Communist leader, was convicted under a state sedition law. The Supreme Court reversed the conviction on the ground that Congress had assumed jurisdiction in the field by enacting the Smith Act and other anti-Communist laws. The sedition laws of 42 states were invalidated by the ruling.

Before Thursday night's vote, the Senate was locked in dispute for three days over legislation aimed at recent decisions of the Supreme Court.

During the battle, it killed off by a 49-41 vote a bill to curb the review powers of the Supreme Court and to undo the effects of decisions in several Communist cases.

OKAY
PORTLAND (AP) — A lumber and Sawmill Workers union official says wage negotiations with Douglas Fir employers will end "satisfactorily" by Sept. 3.

Earl Hartley, LSWU western council executive secretary, said there was no immediate indication of a strike. This countered an earlier estimate that this week would be the "deadline" in an attempt to gain a wage increase.
