Boy Saved By Pocket Knife

SACRAMENTO (UPI) — A 14-year old boy whose life was saved by an emergency pocket knife

operation in a Sacramento movie theater continued his dramatic fight against death today. Attendants at Sutter Hospital

said that Jackie Marker, young son of Mr. and Mrs. David Marker of North Sacramento, was still in "serious" condition. He collapsed suddenly while watching a movie Saturday night and apparently was dead when a

deputy sheriff and volunteers carried him into the theater lobby. Answering a hastily-flashed call for a doctor, a member of the audience, Dr. Job Summers, went out to the lobby and had Jackie laid on a bench. Using a

pocket knife, Dr. Summers made a chest incision and began massaging the youngster's heart. A second physician, Dr. Wayne G. Peyton, arrived with adrenalin which he had in his automobile. Jackie responded to the on-the-

spot treatment and with the doctors still working on him he was rushed to the hospital.

Nehru-Red Gulf Widening

NEW DELHI, India (AP) — A widening gulf has opened between Prime Minister Nehru's administration and India's "constitutional" communism as administered by the state government of Kerala.

Two of Kerala's top Communist leaders, the chief minister and party secretary, have come to New Delhi for conferences amid indications the Nehru government may be preparing to kick out the only Communist administration among India's 14 states. It is empowered to do so under a constitutional provision authorizing the President's direct rule whenever a state government fails.

Kerala Chief Minister E. M. S. Namboodiripad conferred with Nehru and other Cabinet ministers in an attempt to show that church leaders and opposition political leaders were responsible for recent disturbances in Kerala. There have been several killings in the state.

The mission appeared to have failed. Namboodiripad said later that relations with New Delhi were not what he would like, but refused to comment further. A government source disclosed Nehru told Namboodiripad the government could not remain silent to the growing sense of insecurity of large sections of the people.

Nehru told Namboodiripad the disturbances must be brought under control. He left no doubt that otherwise action could be expected from New Delhi.

The Communists hold 65 of 125 seats in the Kerala Legislature. They won the most recent by-election April 18 by a thumping majority. The Communists claim

the Congress party opposition has turned to violence since then, convinced it could not regain power by the ballot.
