Things Change Over
Osc's Vacation Trip

By OSCAR FRALEY
NEW YORK (UPI)—Make like a tourist for a month, trying out some of these dodges that you usually watch from the press box, and they pull the rug out from under you with more upsets than a canoe full of kids.
The last time I saw Eddie Sawyer he was a smiling, relaxed man admittedly happy making P.G.A. golf balls. Now I see a month's worth of stacked up papers that he's managing the Phils and wearing a worried frown.
Birdie, Tebbetts was saying a while back that baseball was his life and everything would work out fine at Cincinnati. So he's gone, too, along with the Phillies' Mayo Smith, and Jimmy Dykes is

Minneapolis
To Speed Up
Big Leaguers

MINNEAPOLIS (AP)—Council approval of a nine million dollar bond issue to speed a major league baseball team to Minneapolis appeared nearly certain today.
Aldermen voted 10 to 1 in favor of the move in a preliminary call Monday. Council President George Martens said the proposal would carry without difficulty at the next council session Friday. The bond issue needs nine votes for passage. Two aldermen did not vote.
It represents Minneapolis' trump card in the long and disappointing struggle to land a big league franchise here.
The city's big league negotiators made it clear to the council they are aiming at bringing a team here by next year. They told the aldermen, in fact, that the bond proposal should be scrapped for the time being if the city doesn't get a commitment by Jan. 1, 1959.
Whether they are looking to the Washington Senators for such a commitment, possibly within days, wasn't brought out. But reports of an imminent Senators' request for permission to shift their American League franchise have been picking up steam rapidly.
The proposal on which the council will take final action Friday would give the city's guarantee to a \$3 million dollar bond issue, mainly for expansion of Metropolitan Stadium from 21,000 seats to 41,000.
Another \$34 million dollar issue, not obligated by the city, would replace bonds now held by original investors in the privately-built stadium.
The bond issue won't go through, however, until Minneapolis has a signed contract with a major league team.

Malin Gridders
Draw Equipment

Coach George Hanson has issued a call for all prospective Malin High School football players to report Wednesday morning at 9 o'clock for equipment issue.
The new Mustang grid boys urged all boys in the Malin area to be on hand. Dates of practice will be set Tuesday morning following the equipment draw.

Oregon Football
Good Ends To Give
Ducks Passing Game

Editor's Note: This is the first in a series on the University of Oregon's 1958 football prospects.
UNIVERSITY OF OREGON, Eugene (Special)—It goes without saying that Oregon's great game against Ohio State in the 1958 Rose Bowl game was largely dependent on an effective passing offense, and with opening 1958 drills just days away, it appears certain the Ducks will have the ends to make such a passing game go again.
Three lettermen return for Coach Len Casanova, including all-American candidate Ron Stover at right end, while a talented non-letterman and four rookies make up the rest of the end crew.
Stover, the Rose Bowl sensation who caught 10 passes against an Ohio State aerial defense to set an all-time Bowl record, and his running mate at left end, junior Alden Kimbrough, make up the best set of ends on the coast.
They will have strong support from a pair of rangy replacements, senior letterman Pete Welch at right end and junior Greg Altenhofen at left end. The reserves will come from Fred Slier, a converted halfback; Paul Bange, a converted freshman fullback; sophomore Ron Anderson and an all-conference transfer, Len Burnett.

Basilio Works
For Aragon Bout

LOS ANGELES (AP)—Carmen Basilio is boxing five rounds a day in preparation for his Sept. 5 fight with Art Aragon.
The New Yorker looked sharp Monday in his workout in Long Beach against Willie Dillon. He planned five rounds again today, then take a break for a day.
Aragon, working at his camp at San Jacinto, went three rounds Monday against Dewitt Lewis.

ELLIOTT WINS RACE
STOCKHOLM, Sweden (UPI)—Herb Elliott, the world's fastest miler with a clocking of 3:54.5, won a 1,500-meter race in 3 minutes, 41.7 seconds Monday on a muddy track at the Stockholm suburb of Bromma. His time was equivalent to a 3:59 mile.

PROFITABLE
DISTRIBUTORSHIP

Here is an exceptional opportunity for the right man or organization. The Crawford Door Co., the nation's largest manufacturer of up-war acting garage doors, needs an aggressive distributor for the Klamath Falls area.

The revolutionary new General Motor's "Delco-matic" radio controlled garage door operator, which is now making sales history, is one of the plus features of a Crawford distributorship.

A valuable franchise will be given to the individual or company best qualified. There is a tremendous existing demand for the Crawford Doors in this area which is a rapidly expanding market.

To join the nation-wide "Crawford Family" of garage door distributors requires a sound reputation, sales ability, mechanical and creative ingenuity, and a minimum of operating capital. If you feel you can qualify, write now personally to W. A. Eichenberger, vice president, Crawford Door Sales Corp. of Oregon, 4728 S.W. Macadam Ave., Portland, Oregon.

Lakeview
Operates
LL Park

LAKEVIEW — A resume of activities of Lakeview Little League season shows a very satisfactory program for all concerned in the opinion of boys, parents and league officers.

Starting four years ago with 35 boys and two teams, sponsored by the Elks and the Knights of Columbus, the local program has developed to participation of five teams with 75 boys and 40 on the farm team. Locally the players start at the age of 9. The league has been organized with a franchise for the past three years.

Providing a field for the league play has resulted in excellent cooperation between the fathers and local organizations. A regulation field was constructed last year. Lumber for fences and manpower for its construction was donated through the Collins-McDonald trust fund. Used in the spring and fall for school recreation program, the sand field with regulation dugouts is located on school ground. This year new posts for the backstop were donated and installed by the California Oregon Power Company. Other merchants have donated paint, wire, and other materials and the full cooperation of the boys' fathers, as well as a number of those who do not have boys involved, has resulted in an investment of approximately \$1,000. Money for running the team is donated by the American Forest Products Corp. and manpower is furnished by the Knights of Columbus.

The Knights of Columbus team has been champion for the past four years. The first half of the season resulted in a three-way tie between Griffin's, Fireman and K.C.'s, with the latter withdrawing from the playoff. Griffin's won and were pitted in the finals against the "Knights."

Officers of the league are Charles Foster, president; Stanley Tooke, player agent; Carter Fetsch, vice president; and Pat Cosgrove, umpire-in-chief.

Drain To Meet
SD Marine '9'

WICHITA, Kan. (AP)—The Drain, Ore., Black Sox, after scoring wins over Macon and Milwaukee, will tackle the strong San Diego Marines today at 5:30 p.m. PST in the National Non-Pro Baseball Tournament.

Family Squabble Out

Cal, UCLA Athletic Debate In Open

BERKELEY, Calif. (UPI)—George Dickerson, recently appointed head football coach at UCLA, apparently was deep in the dog house today for publicly airing a "family squabble" with California over alleged recruiting abuses.
California coach Pete Elliott angrily blasted Dickerson for allegedly betraying a trust by baring accusations of illegal recruiting of UCLA - marked football prospects by a Cal alumni group.

IAAF Moves
Against Help

STOCKHOLM, Sweden (UPI)—Athletes who accept athletic scholarships to colleges in a foreign country would be barred from competing in that country but wouldn't lose their amateur status, under a recommendation made today by the International Amateur Athletic Federation.

The IAAF, ruling body of world track and field, looked into the question of athletic scholarships Monday at the request of Australian officials.

The Australians, irritated at the fact several top-notch Aussie track athletes as well as swimmers are attending United States colleges, asked the IAAF to deny amateur status to athletic scholarship students. But the federation rejected that proposal and instead made its no-competition recommendation.

Dickerson, who was Sanders' No. 1 assistant before succeeding him, told a press conference he flew here last Saturday to confront Elliott with the charge of Bill Kilmer, the junior college transfer registered for the fall

term at UCLA, that he was approached by Weiner at Sanders' funeral.

Elliott acknowledged he and Dickerson discussed the beef but the Cal coach said Monday night they agreed to keep it a "family matter" if Weiner was ordered to stop all recruiting "until an investigation could be made in the proper manner."

"This trust was broken," Elliott said. "Using the press as a threat and making public display of practices in recruiting can only hurt college football."

Weiner denied he had tried to lure Kilmer to Cal.

Wilbur Johns, UCLA athletic director and Dickerson's immediate boss, was reported to be "flabbergasted and embarrassed" by Dickerson's actions. Bud Hastings, head of Cal's Associated Students, quoted him as saying the proper way to have handled the complaint was through the heads of the respective athletic departments.

Dickerson, who was Sanders' No. 1 assistant before succeeding him, told a press conference he flew here last Saturday to confront Elliott with the charge of Bill Kilmer, the junior college transfer registered for the fall

PATTY LOSES IN FINAL
KITZBUHEL, Austria (UPI)—Jacques Brichant of Belgium won the men's singles event for the Alpine Cup Monday by defeating Budge Patty of Los Angeles and Paris, 4-6, 6-3, 6-3.

WE TAKE
BETTER
CARE OF
YOUR CAR

Your foreign car receives extra thorough lubrication and complete service at the sign of the Chevron. We go to school to learn the best ways to care for all cars from bumper to bumper. And the service procedures and lubricants we use are approved by auto makers throughout the world.

In any language, our service spells satisfaction. You can count on us for clean rest rooms, a sparkling windshield, free inside-out tire inspections, and many other conveniences that make driving pleasant. They are some of the reasons why every independent survey shows motorists rate service at the sign of the Chevron "best in the West."

American or Foreign

In any engine, the best oil is our RPM Supreme... the motor oil used by motorists in many countries for supreme engine protection. Its Detergent-Action compounding keeps parts so clean, protects them so well it actually halts wear... engines can outlast the car itself!
