#### SPECIAL AWARD

A special award of \$19 was presented to Ruth Ann Born of Henley for the best 4-H Vegetable Garden Club record book at the Klamath Junior Fall Fair. The award was presented by the Mt. Laki Garden Club. Plans have been made to continue this award again next year. Winners will be chosen on the basis of neatness and completeness of record book and the amount of the garden consumed for family use.

Ruth Ann has been a 4-H member for eight years and has carried a number of projects besides vegetable and flower gardening. She is the daughter of Mr. and Mrs. Ed Born and attends Henley High School.

The Langell Valley Champs Sheep Club had a weighing tour recently. We ended at Virginia Nobles for our meeting. Kathy and Robin Brett gave their demonstration that they have prepared for the fair.

Our club entertained the Three B's Sheep Club and their families with a picnic and swim, August 2, at Twin Springs Pool. Hot dogs were served from our hot dog stand along with salad, cake, punch and coffee. Showers forced us to the community hall for lunch but it cleared and everyone enjoyed their swim with watermelon and cake afterward.

We have made enough money to buy a 72 cup percolator for the community hall.
