"Hostile" is the keyword on Modoc Field, both morning and afternoon—since 1958 Pelican football practice started Monday morning.

NEW PELICAN COACHES

GENE STREHLOU ... C of I grad
'HANK' SMITH ... first casualty

From the attitude displayed by the sweating, straining, "perpetual-motion" Pelis, no one really minds too much, since they all realize that the more rapidly they get in shape, the easier the rest of the season becomes.

A casual glance from the sidelines indicates that the sophomores hold a slight edge in the "hustle-go-go" department ... and this is perfectly normal, too. After all, seniors and juniors do not necessarily have a cinch on any starting varsity slot.

Andy Knudsen—"Most of the boys are greatly improved in their tackling."

Jack Peterson—"Our backs seem to be having trouble handling the ball ... and you can charge that up to whatever you wish."

Bob Johnson—"Sure, a lot of the boys lack experience, and that was to be expected, but the willingness to work is there and real, honest 'try' is hard to beat."

A pair of newcomers strengthening the Klamath Union coaching staff has already plunged into work with the football squad.

Strehlou, a graduate of the College of Idaho, played basketball with R. C. Owens and Elgin Baylor, in addition to lettering in football and track.

His academic assignment at KUHS includes teaching classes in general science and biology.

The father of two, Strehlou is urgently seeking a two bedroom home to rent so that his family, which is now in Denver, may join him as soon as possible.

"Hank" Smith, the other addition to the staff, recently graduated from Southern Oregon College in Ashland, Smith hails from Crescent City, California, and has been assigned the freshmen gridgers as his first job.

Knudsen is putting his charges through (except for Thursday a.m. (Continued on Page 18))

Herb Elliott Amazes Experts, Smashes Another World Mark

GOETTBORG, Sweden (AP)—How fast can Herb Elliott run? That was the question track experts asked today after a world-record-smashing 3:36 for 1500 meters by the lanky, 29-year-old Australian.

Many even ventured to venture a guess as he preceded his almost incredible 1500 with a 3:54.5 mile at Dublin Aug. 5. The mile is 1,609 yards, 1 foot, 4 inches.

Some believe that Elliott will be the first to better 3:50 for the mile. He has been under 4 minutes on eight occasions since bursting into the limelight late last January with a 3:59.4 mile at Melbourne.

"No man must set a limit on his capabilities," he said of himself. "Nobody must be limited by what's around him."

Dr. Roger Bannister, first man to break the 4-minute barrier, and John Landy, who lowered the mile record to 3:53, called his 3:54.5 at Dublin "absolutely incredible."

Aldermen Extend Invitation

MINNEAPOLIS (AP)—Minneapolis aldermen voting approval of a stadium-enlarging bond issue, handed the Washington Senators a nine-million-dollar invitation today to bring their American League franchise here.

Simultaneously the city council in adjacent St. Paul made a multi-million-dollar offer of its own for an American League franchise.

The rival plans climaxed a five-year feud between the Twin Cities over where a big league baseball team should be located in this area.

St. Paul councilmen approved a resolution pledging to issue enough revenue bonds to enlarge the present Midway Stadium from 10,250 seats to 42,000 in the event a major league team signs a contract to come to the city.

Minneapolis' baseball committee has been saying for weeks a major league franchise is almost a foregone conclusion for the city provided the council took the action it did today.

The Minneapolis bond proposal, which must be authorized by the city's Board of Estimates and Taxation to become legal, would take effect only if a major league club signs a contract to come to Minneapolis.

News of the Minneapolis Council vote, 11-2 for the bond issue that would enlarge Metropolitan Stadium from a seating capacity of 21,000 to 41,000, was sent to Senators' President Cal Griffith in Washington, where the club's directors met today.

In Washington, the Senators directors issued a statement after their meeting saying they were putting off any action on a possible move to Minneapolis.

American League regulations allow until Oct. 31 for a club to invade minor league territory, such as Minneapolis.

Hunters Warned Of Rule Changes

Grouse hunters are cautioned to read the state game regulations concerning the changes in the 1958 season, Jim Mohr, district game agent for the State Game Commission, said Thursday.

During previous seasons, the east and west areas of the southern Oregon were divided by the Summit of the Cascades.

This year, Mohr points out, Main Street in Klamath Falls (U. S. Highway 97) divides the east and west areas. Highway 230, the Diamond Lake Highway, is the northern boundary.

The grouse season opens on Saturday, August 30, and runs through September 5 east of Highway 97, West of Highway 97, the season does not open until September 27 and runs through October 14.

Thomas J. Barry set a record at Mammoth Park when he saddled 22 winners.

Braves Nail 4-1 Series; NY Dopes Magic Numbers

Senators Face NY, Destiny

By THE ASSOCIATED PRESS
The New York Yankees should finally get around to making Washington the first victim of the inevitable in the American League pennant "race" this weekend.

The Yankees open a three-game set at Washington tonight. But if the Senators are doomed to be the first to go, they won't be alone very long.

The magic numbers that officially eliminate the rest of the league go like this: Boston, 16; Baltimore, 13; Detroit, 12; Cleveland and Kansas City, 9.

By comparison, Milwaukee's pennant number in the National League is 21 after rapping third-place San Francisco 3-0 in the only game scheduled in either league yesterday.

All that looms ahead for the Yankees, who have been in first place since April 18, the fifth day of the season, is a job of getting their pitching back on the beam for the World Series. Which is an incredible thing, as Casey Stengel would say, when you figure his guys are 11 1/2 games out front.

Fact is, the Yankees have a craft that has produced 48 complete games this season (second only to Milwaukee's 57 in the majors), yet they've managed but 4 in 20 games over the past three weeks.

Whitey Ford (14-7) will go tonight against Pete Ramos (11-13). Elsewhere tonight, it's Detroit at Chicago, with the Tigers sending Herb Moford (3-6) against Dick Donovan (10-12). Baltimore, trying to shake off Detroit for a first-division finish, is at Boston. The Orioles have named Frank Portocarrero (12-9) against Frank Sullivan (10-7) of the Red Sox, who are trying to catch Chicago. Cleveland (Gary Bell, 7-8) is at Kansas City (Ned Garver, 11-9).

Lefty Don Land pitched a four-hitter for the Black Sox and contributed a third-inning home run to boot. In besting Ortega the Drain club beat a young pitcher who is being scouted by major league teams.

Drain took a 2-1 lead in the third inning on Lane's homer. Casa Grande tied the score in the fifth but Drain rallied for two runs in the sixth to win. The runs came on two hits, two errors, a walk, a stolen base and a sacrifice.

Lane struck out nine and Ortega fanned eight. Drain 101 002 000-4 6 1 Casa Grande 010 010 000-2 4 3 Lane and Olson; Ortega and Boetto.

KU Gridders Get Last Opportunity

All Klamath Union football players who as yet have not received physical examinations may do so by appearing at the Modoc Field House at 6 o'clock tonight.

The final chance to take physicals was originally scheduled for Thursday evening but was canceled at the last minute because of an emergency.

At 7:30 tonight on Modoc Field the KU gridders will work-out in extensive scrimmage drills. Head coach Andy Knudsen noted that this drill, under the lights, would be the stiffest to date.

FISH TOO BIG
ANADARKO, Okla. (P)—Clarence Neill, an employe at the power plant which extends out over the Washita River, was fishing through a hole in the floor when a catfish grabbed his line. He pulled up a good-size cat but had to let him go. The fish was too big to get through the fishing hole.

Bucs Eye Golden Chance

By THE ASSOCIATED PRESS
Pittsburgh's persistent Pirates thunder into 10 telling days in the National League pennant chase tonight, opening a three-game series at Milwaukee with the first-place Braves.

The next 10 days could be thrillers or chillers for the no-longer bungling Bucs. At the moment, they're in second place, 7 1/2 games behind the Braves. They stand 7-3 against the Braves with seven games remaining in the season series.

All seven are scheduled for the next 10 days — three at Milwaukee this weekend, four at Pittsburgh next weekend.

Braves 3, Giants 0

Milwaukee wrapped up a 4-1 series at San Francisco yesterday by smacking the third-place Giants 3-0 behind Bob Rush's 10-hit pitching in the only game scheduled in either league.

The Braves had only six hits — four of 'em by Red Schoendienst, who doubled home the second run 14-11. Del Crandall's walk and stolen base, triggering errors by catcher Bob Schmidt and center fielder Willie Mays, gave the Braves the run they needed to push the Giants nine games back in the fifth inning.

The Pirates send right-hander Bob Friend against southpaw Warren Spahn, the NL's top winners with 17, tonight.

The Giants are home to the fourth-place Dodgers, with Paul Giel (4-3) opposing Don Drysdale (9-11). In the rest of the all night game schedule, it's Chicago (Glen Hobbie, 9-6) at St. Louis (Sam Jones, 11-10), and Philadelphia (Don Cardwell, 2-2) at Cincinnati (Bob Purkey, 14-8).
