WHEAT WOES

OKLAHOMA CITY — Wheat farmers in Oklahoma were highly pleased with the abundant crop this summer, but it had its drawbacks. The wheat grew so tall that hot exhaust pipes from combines, trucks and tractors set off scores of fires that destroyed thousands of acres of the grain.

Elizabeth E. Nelson, arrested by city police Thursday following an automobile accident early that morning, was scheduled to appear in municipal court Monday to answer three separate charges.

Judges Score Youth Report

PASADENA, Calif. (AP) — A group of judges say they don't believe "the younger generation is going to the dogs."
The Advisory Council of Judges of the National Probation and Parole Assn. yesterday adopted a resolution criticizing comments of FBI chief J. Edgar Hoover on juvenile delinquency.
"We must not have America accept the notion that it is a crime to be young," said the judges' resolution.
It quoted Hoover as saying juvenile courts have to cope with a breakdown of law and order among youth, and said he advocated a "get tough" policy in a speech before the American Bar Assn.

Small Boy Sheds Clothes; Enters Swim Pool Free

ROCKY FORD, Colo. (AP) — There they lay on the ditch bank, a little pile of small boy's clothing.
Officers began looking up and down the ditch, fearing the worst. Soon they met a small boy in swimming trunks. Sure, the clothes were his.
"I undress here every afternoon," he said. "Then I can walk across the field to the city swimming pool and go in free."
Pool attendants, seeing him walk into the bathroom in his trunks, figured he was returning to the pool from a nearby lounge where candy bars and soft drinks are sold.

Man Protests; Wife Restored

REDWOOD CITY, Calif. (AP) — Despite William A. Rainey III's vigorous protests, his wife has been restored to him.
Sally Ann Rainey told Superior Judge Aylett Cotton yesterday she (1) never had been served with notice of Rainey's divorce suit, (2) didn't know he had been granted an interlocutory divorce and (3) first learned of the October 1957 decree when she was given some of their community property.

Naval Procedure Courses Offered

Two courses in naval procedure will be open at Southern Oregon College, Ashland, for Navy officers in Klamath County, it was announced today.
The courses will be given in conjunction with the Navy Reserve Officers School at Southern Oregon, which opens for its second year next month.
Courses available, said Cmdr. Loren E. Messenger, school administrative officer, are Navy leadership and organization for national security.
Registration for the Navy school is scheduled for September 2 at 8 p.m. Regular Tuesday classes will be held in Room 203, Churchill Hall, on the Southern Oregon campus.

Stockebrand moved here from Plainfield, New Jersey, recently—about the time that Lt. Martin H. Conlin was reaching the three-year mark as commander of the Klamath Falls outfit, Naval Reserve Electronics Division 13-22. Three years is the period of command allowed by the Navy Department, so it was not long before orders arrived from the chief of naval personnel, naming Stockebrand the new commander.
Conlin, who is office manager for Dant and Warnock, Inc., will remain associated with the division in an advisory capacity and as an instructor.
