WALL STREET
NEW YORK (AP) — The stock market continued a strong advance to a record peak late this afternoon. Turnover was heavy. Volume for the day was estimated at 3,900,000 shares compared with 3,040,000 Monday. Leading issues rose from fractions to about 2 points. Some special stocks made greater gains. Trading interest rotated to the oils, previously a bit backward, after motors, steels and nonferrous metals got a big play.

Gulf Oil was up more than 2. Socony Mobil and Royal Dutch more than a point. Texas Co. and Standard Oil (New Jersey) rose about a point each.

Zenith was a 4-point gainer. Chrysler and American smelting were up about 2.

Following Monday's rise to historic peaks by the industrial averages, the overall market list was moving ahead into record high ground.

Ahead about a point were U.S. Steel, Evans Products, Phelps Dodge, Reynolds Metals, Southern Railway and Lorillard.

The ticker tape was late for a period of nine minutes in an active opening. Prices held their initial gains in active dealings, then forged further ahead in the afternoon.
