PNW Papers Face Strike

PORTLAND (AP) — The Portland Newspaper Guild Tuesday night authorized its executive committee to call a strike against either or both of Portland's daily newspapers.

Robert L. Schultz, president of the local, said representatives of The Oregonian and the Oregon Journal had not produced a formal offer in more than 30 negotiation sessions with the union. The present contract expired June 1.

A joint statement by William R. Morrish of The Oregonian and D. S. Haines of the Journal said: "Guild and company negotiators have worked out most of the substance of several new contract provisions which the Guild is seeking. The companies have made it clear that they would have offered the same wage package accepted by the other organized groups this year, and in addition a health and welfare program. — Just as soon as the Guild committee settled down to tie up loose ends on points agreed upon and reduced their other demands to manageable proportions."

Cruellest Killer Given 50 Years

TAMPA, Fla. (AP) — Criminal Court Judge L. A. Grayson has sentenced a Tampa man to 50 years in state prison for what he called "the cruelest murder I have encountered" — the spanking death of the man's 6-year-old son.

The sentence was given yesterday to Robert Deatherage, who was convicted last month of second degree murder. Deatherage admitted he had spanked his son hard with a 20-inch board because he had wet his trousers. The boy died the following day.

Grayson said the sentence was one of the stiffest he'd ever delivered.
