Army Reserve To Continue

ATLANTIC CITY, N.J. (AP)—The Army chief of staff says all 27 of existing National Guard divisions will be continued, each with five battle groups. The announcement Tuesday by Gen. Maxwell D. Taylor made clear that the Army was virtually abandoning its former efforts to cut back the size of the Guard.

Taylor noted in a speech before the 80th annual conference of the National Guard Assn. that the Army had planned last March to reduce the Guard to 360,000 paid strength. This would have meant deactivation of six divisions and the elimination of numerous small supporting units.

But the last session of Congress demanded, and the President and secretary of defense approved increasing Guard strength to 400,000. Taylor said.

The United States is the major supplier of cotton to the United Kingdom, having exported 588,000 bales in the period from last August to March.

Old Line Party Republicans Plan For New Floor Leader

WASHINGTON (AP)—Old line party members are maneuvering quietly to block any "Modern Republican" from capturing the GOP Senate leadership for years to come.

This is the aim of influential members who have little enthusiasm for President Eisenhower's viewpoint of modernizing the party.

They have laid plans they hope will accomplish this result when a new floor leader is chosen to succeed retiring Sen. William F. Knowland (R-Calif.). Sen. Everett Dirksen (R-Ill.), a vigorous supporter of the late Sen.

Robert A. Taft (R-Ohio), probably will move into Knowland's command position without challenge. All-out Eisenhower supporters hoped to place one of their number in the line of succession as party whip, the post Dirksen will be vacating.

However, Chairman Styles Bridges (NH) of the Senate Republican Policy Committee is expected to propose that the leadership base be broadened by the addition of an assistant leader, as well as the whip.

While Bridges is not talking

about who might fill such an assistant's post, there was immediate speculation it would go to one of the conservative Republicans.

In this connection, the names of Senators John W. Bricker of Ohio, Karl E. Mundt of South Dakota, Barry Goldwater of Arizona and Carl T. Curtis of Nebraska were mentioned among others.
