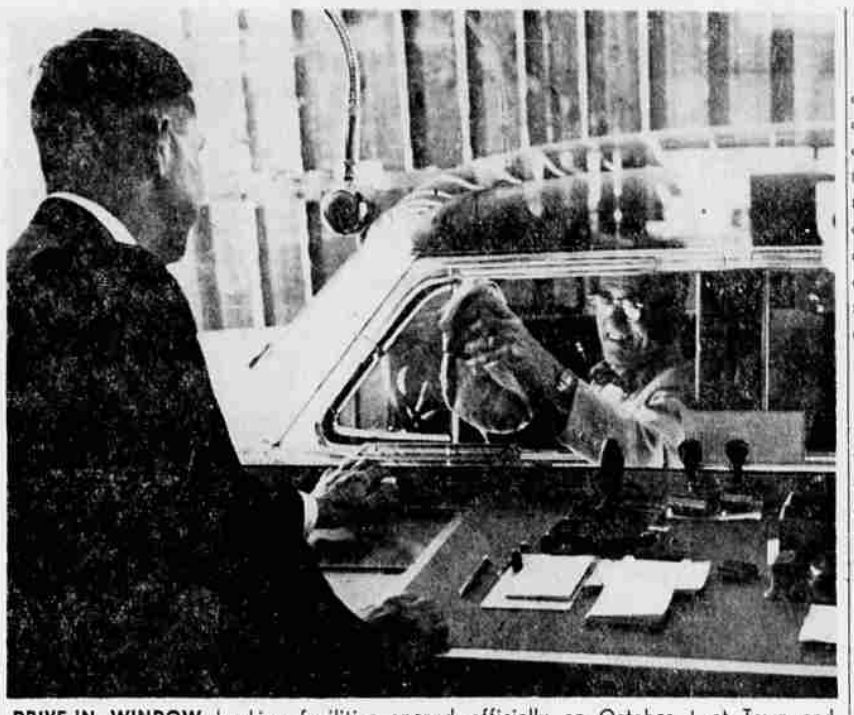
New Record Set By Fire Damage

BOSTON (AP) — Two million fires with aggregate destruction of $1,280,000,000 last year sent American fire losses to the highest point in the country's history, the National Fire Protection Assn. reported today.

Losses have moved up to new record totals for three successive years, the announcement said, and in 1957 exceeded 1956 losses by about $48,350,000.

SHIP FIRES ROCKET

WASHINGTON (UPI) — A two-stage rocket assembly was fired to an altitude of 152 miles from a ship in the South Pacific last Sunday, the Navy announced Wednesday. The Navy said it was the highest altitude ever reached by a rocket fired from shipboard.



DRIVE-IN WINDOW banking facilities opened officially on October 1 at Town and Country branch of the United States National Bank of Portland. Elton W. Smith, left, branch manager, is shown receiving the first deposit from Emil Albrecht, owner and operator of Low Cost Supermarket. A 20-ft. overhead canopy, built by Duncan construction Company of Klamath Falls, represents an innovation in the bank's drive-in banking facilities as it provides protection from weather and for adequate lighting.
