NUMBERS FOR GAME NO. 3 WILL BE PUBLISHED IN OUR ADVERTISEMENT THIS WEEKEND. DON'T MISS IT!

Here Is How To Play . . . Follow These Simple Rules

- You can obtain a free "CROSS-OUT" card each and every time you visit your Safeway store. Anyone over 18, except Safeway employees and members of their immediate family can participate.
- Check each group of numbers appearing in our advertisement against the numbers appearing on your "Cross-Out" cards. If you have five numbers in a row . . . down, across, or diagonally . . . on any "Cross-Out" card which match numbers appearing in any one set of numbers appearing in our advertisements, you have a winning card.
- Each set of numbers appears in a different design . . . stars, diamonds, circles, squares, etc. Play only the numbers in any ONE design against the numbers on your card.
- You can play ANY complete set of numbers. Keep EVERY AD . . . keep EVERY card you obtain free at Safeway. A new set of game numbers is published each weekend in this newspaper.
- When you have a winner, turn your card over and follow instructions printed on the back. Mail your card to the address specified to obtain your prize.
- This is not a national contest. You compete only with Safeway customers in Oregon and Southwest Washington.
- Do not pay any attention to the fact that there are 6 vertical rows of numbers in the sets of numbers published each week, and only 5 rows of numbers on your card. All you need is 5 numbers in a row on your card.
