Boy Scout Sends Note

DUNSMUIR—Billy Kelly, 13, got home at 4 o'clock Sunday morning and stated he was thankful for forest service lookouts, radios, telephones, Boy Scout and hunter safety training and stout shoes.

He and his grandfather, Sam Kelly, were deer hunting east of McCloud when Kelly's pickup sank to the axles in soft dirt. Knowing the family would be concerned when they were overdue, Billy started walking out for help late Saturday afternoon. He found a sign that said "Black Fox Look-out, five and one half miles," and figured that was the nearest help.

The lookout at Black Fox was surprised to have company arrive at 10 p.m., but a radio message was promptly sent to the McCloud forest service station and relayed by phone to Dunsmuir. Billy's father, Joe Kelly, and uncle, Ernie Kelly, came to the rescue. It was a 24 hour day for Billy and his grandfather but Billy still thinks hunting is "swell." He got a 100-pound forked horn buck last week.

HERD SOLD
EASTSIDE—Mr. and Mrs. Alfred McGuffin recently sold their dairy herd and equipment to William Hoffman of Elk Grove, California. Hoffman, who is living at the Earl Butler ranch, south of New Pine Creek, took over the operation of the dairy on October 1. The McGuffin Dairy was the first licensed grade A dairy in Lake County.
