

Ore Tech Homecoming Takes Place October 18 GI Deserter Out Of Jail

Two thousand letters of invitation were sent out to Oregon Technical Institute alumni notifying them of 1958 Homecoming activities which will take place on the campus and downtown in Klamath Falls on Saturday, October 18.

Bob Scholl, president of the OTI Alumni Association and committee members have completed the schedule of events. Butch Summer is Homecoming chairman on the campus. Frank Stanko, dean of men and Shirley Brusoe, dean of

women, are alumni and Homecoming advisers.

Registration will take place from 4 to 9 p.m. on Friday, October 17, in the Student Union building on the campus.

The pep rally will be held on the campus, starting at 6:30 p.m., followed by the annual bonfire and announcement of the results of the voting in the queen contest. Various areas of curriculum are sponsoring queen candidates and the list of candidates will be announced with-

in the next few days.

All of the houses on the campus are entering the sign display contest and their signs will be judged on Friday night and winners will be announced at the Homecoming dance in the campus gymnasium on Saturday night.

A rally dance in the Student Union will start at 9 p.m. on Friday night.

Registration will be held at alumni headquarters at the Winema Ho-

tel from 9 a.m. to 1 p.m. on Saturday. The noise parade will start through town at 11 a.m.

The traditional football battle between Oregon Tech and Southern Oregon College will start at 2 p.m. on Modoc Field. At the half time, Alumni President Scholl will crown the queen.

At the conclusion of the game, many of the women attending will go on to the silver tea being held at the home of Mrs. Walt McIntyre, 235 North Fourth, sponsored by the Klamath County Farm Bureau Women. Proceeds will go toward a student loan fund for students from Klamath County attending OTI. The hostesses have extended an invitation to women faculty members and visitors.

The annual alumni business meeting will be held shortly after 6 p.m. at the Winema Hotel with a cocktail hour and the buffet dinner following. OTI Director Winston D. Purvine will speak briefly at the business meeting, giving a review of the latest developments at the school.

The big day concludes with the Homecoming dance in the OTI campus gym with music by Baldy Evans Band.

RIEMONT, France (AP) — Wayne Powers was back from a U.S. Army stockade today with the French woman who hid him during 14 years as a deserter and gave him four children.

The couple is expected to be married soon, although Powers made no announcement after his release Thursday. He said earlier he planned to wed Yvette Belesse.

Powers, 37, of Chillicothe, Mo., was arrested last March in the tiny village of Mont d'Origny

when French police finally came across him. He was court-martialed and sentenced to 10 years in prison but this was reduced to six months.

SEW?
ROBBINSVILLE, N.C. (AP) — Mrs. J. Z. Watkins of Charlotte, president of the North Carolina Congress of Parents and Teachers, on her way to a district PTA conference here, hurriedly grabbed her portable typewriter to write her speech here. On arrival, she found she'd brought her portable sewing machine instead.

OTI HOMECOMING plans were being finalized this week by representatives of the school, student body and alumni. Shown, from left, are Frank Stanko, dean of men and alumni adviser; Shirley Brusoe, dean of women and Homecoming adviser; Butch Summer, second year student in structural design technology and OTI Homecoming chairman, and Bob Scholl, national president of OTI Alumni Association. Reservations are already coming in for the annual alumni buffet dinner to be held at the Winema Hotel on Saturday evening, October 18, after the traditional Homecoming game which will be played in the afternoon.

Machine Rips Man's Attire

LUBBOCK, Tex. (AP)—Charles Sweeney, 41, an insurance inspector, finished checking an electric motor at a gin.

He stepped from the ladder and . . . zip . . . he was tossed nearly naked on the floor.

E. K. Schwartz, superintendent of the cotton gin, found the missing clothes wrapped around a two-inch drive shaft near where Sweeney had stepped from the ladder.

All he had left was a coat, sleeve, a necktie, shoes and socks. Sweeney, who suffered minor cuts and bruises, later told Schwartz: "First thing I thought

about when I woke up was how come I was lying on the floor with all my clothes gone."
