Our plumbing's stopped up again!

Sounds as though roots have clogged your sewer line!

Johns-Manville Transite®
the corrosion-resistant white pipe
locks out roots

Transite Building Sewer Pipe has extra tight joints to keep roots out of house-to-sewer lines. These Ring-Tite® joints not only lock pipe and coupling together but are quickly assembled by hand to simplify installation and cut costs.

This asbestos-cement pipe is strong and durable. Non-metallic, it cannot rust. Let your plumber save you future trouble and expense; let his expert crew install Transite in your lines from house to sewer to septic tank. Or ask us for details.

SIXTH ST. STEEL
