**REMOVE WASTE-NOT GOOD FOOD**

Here's a secret millions have discovered about FEEN-A-MINT, the wonderfully different chewing-gum laxative. FEEN-A-MINT is different because you chew it. It's different, too, because it removes mostly waste—not good food! FEEN-A-MINT does not work in the stomach, where food is being digested. That's why it does not take away a lot of the good food you need for energy. Doctors know that FEEN-A-MINT works chiefly in the lower bowel...removes mostly waste, not good food! And it's non-irritating, too. So to feel like a million, chew delicious FEEN-A-MINT 16 tablets, 37¢—also small and economy sizes.
