Butterfingers Burglars Bungle Station Theft

When intruders broke into the G. W. Carr Flying A Service Station at 7:45 South Sixth Street, they picked the first night in some time that no money had been left in the office.

The burglars went through everything in the office in a vain search for money, meanwhile ignoring all the other objects of any considerable value that were lying around.

In fact, state police reported after their Monday morning investigation that apparently the only thing the intruders took was a carton of candy bars.

The brand? Butterfingers.

AF Eyeing Space Animal

WASHINGTON (AP)—The Air Force has plans to place a "specially trained small animal" into an orbit around the earth—but not until there's a good chance of bringing it back alive.

The animal would be in a space capsule equipped to radio back to earth information on the animal's performance and physiological condition.

The Russians got similar reports on the dog Laika, sent aloft in a Soviet Sputnik last year. No effort was made to return the dog to earth.

Brig. Gen. Donald D. Flickinger, Air Force director of life sciences, outlined that service's plans in the Air University Quarterly Review, published at Maxwell Air Force Base, Ala.

He said the attempt would be made provided techniques for the recovery of the space capsule and its occupant are satisfactorily developed.

The experiment would be made particularly in connection with a study of the effects of weightlessness on animals and human beings.

Flickinger said consideration is being given to various methods of putting laboratory animals, and later man, into a semiballistic flight path which would provide six to eight minutes of weightlessness.

"If weightlessness proves to be a limiting factor in space flight, we are faced with an engineering problem of some magnitude to provide a degree of artificial gravity during orbital coast," he said.

Meeting—Klamath County Child Guidance Advisory Council will meet for lunch on Wednesday noon at the Klamath County Health Center.

Annual Meeting—of Klamath County Cow Belles will be held in the Carnas Room of the Winema Hotel at 1 p.m. on Wednesday.

Meeting—Klamath Chapter, Order of DeMolay, will hold a meeting and initiation on Thursday, October 23, at 7:30 p.m.

Order of Rainbow for Girls—Assembly 57 will hold its annual formal October 25 at the Yacht Club from 8:30 to 11:30 p.m. The theme this year will be "Oriental Gardens." Everyone is invited. Programs will be on sale at KUHS and Henley Wednesday.

Northside—Garden Club will meet Wednesday, October 22, at 1 p.m. at the clubhouse. Please bring material such as small cones, feathers or dry materials suitable for corsages. All members of Lakeshore, Northside and Wocus clubs welcome.

Penny Social—Women of the Moose Chapter 467 will have a business meeting tonight at 8 o'clock in the Moose Hall with a penny social and fun night to follow. Anyone with gifts, please bring them to the meeting.

Shasta PTA—The Shasta PTA will meet Wednesday at 2:30 in the Shasta School auditorium. Nursery service will be provided.

Manzanita Chapter—OES will have a regular meeting Wednesday, October 22, at the Scottish Rite Temple. A no-host dinner at the Willard Hotel at 6 o'clock will precede the meeting. Elsie Olliott, associate grand conductress, will pay her official visit and will hold a school of instruction. All OES members are invited.

Missionary Sermons—will be delivered here in the Reorganized Church of Jesus Christ of Latter Day Saints by Missionary Robert M. Seeley, Eugene, starting October 25 and continuing to November 9. Song services will start at 7:30 p.m., preaching at 7:45 p.m. Cottage meetings will be held each Monday, Wednesday and Friday evenings. Mr. Seeley will speak. He will also fill the pulpit on the two Sunday's he is present in Klamath Falls, as well as at the evening services.

Ladies Aid—members of the Klamath Lutheran Church will meet tonight, 7:45, in the church parlors. There will be an interesting demonstration on candle-making by Edna Bowman of Klamath Falls. Refreshments will be served before the business meeting. Hostesses will be Mrs. G. Ray Taylor, Mrs. Leroy Redal, Mrs. Marvin Martin, and Mrs. Cal Raney.

Neighbors—of Woodcraft Thimble Club will meet at the home of Mable Dirschl, 1129 Crescent, at 8 p.m. on October 22.

PRETTY GIRLS and potatoes are both needed to make a successful potato festival. This year's court of high school girls, wearing complete sport outfits earned by the girls during the contest for queen, were caught "aboard" a potato bulker in a potato field being harvested by Fotheringham Brothers, Joe and Walt near Merrill. Left to right are princesses Jean Pettigrew, Tululake, and Sharon Jackson, Bonanza; Queen Myrtle Barnes, Merrill; princesses Helen Collins, Malin, and Becky Short of Henley. The new queen of the Klamath Basin Potato Festival is to be crowned during the annual banquet Friday, October 24, in the Merrill grade school gymnasium. The festival will continue through Saturday.

Mass Killer's Girl Friend Proclaims Her Innocence

LINCOLN, Neb. (UPI)—Caril Ann Fugate, 15, accused accomplice of mass killer Charles Starkweather, has told newsmen, "The Lord knows I'm innocent."

Caril, a 5-foot, 92-pound teenager, goes on trial Monday for allegedly helping her boyfriend commit one of his string of 11 murders last winter.

She is charged on two counts of first degree murder in the slaying of Robert Jensen, 17, a Bennet, Neb., school boy, Starkweather, 19, was condemned to die in the electric chair for the Jensen murder, but has appealed the death sentence.

Caril protested her innocence at a news conference Monday, the first since her arrest last January.

"If I am found guilty," she said, "in time they'll find out I am innocent, and then they'll know they made a big mistake. I think someone else was in on this thing from the beginning."

She would not elaborate on who she thought the "someone else" was.

Caril said she could not escape from Starkweather during his slaying spree because "he had a knife and gun" and "would have killed me if I'd tried."

She said that after the slaying of Jensen and two others in the Bennet area she tried to persuade Starkweather to surrender, but he said "one more killing wouldn't make any difference."

Starkweather was her first "steady boy friend," Caril said.

ATTENTION THE SOUTH SUBURBAN SANITARY DISTRICT

wishes to advise property owners of the District of the below listed facts in regard to Sewer Service.

- 1—Property owners may install the sewers on their respective properties themselves or they may hire the work done. If done by hire, the persons or persons so hired must be qualified by Oregon Law to do the work.
- 2—Before doing the work, or before having the work done by hire, property owners are advised to contact the District Office at 2321 Gettle Street (TU 2-5744) to determine approximately when the service will be available, and therefore how soon the work on individual properties should be done.
- 3—Each customer or property to be served will be notified by mail when the sewer service will be available, for his property.
- 4—After such notice is given the customer or property owner will be required to complete the installation on his property to the District line or side sewer constructed for his particular use.
- 5—The side sewer will, so far as is practical, be installed to the customers property line at the place chosen by the customer.
- 6—All sewer lines constructed by property owners themselves or by persons hired to do the work MUST be inspected by a District Engineer PRIOR to being backfilled or covered up.

The District recommends that no lines be constructed on private properties until such time as the side sewer has been installed by the District.

Where persons have already constructed their lines without having consulted the District Office on grade and depth, every effort to connect to the said lines will be made by the District, however if installations have been without District advice and inspection and if said installations can not be used, the property owner is subject to having the line condemned, or reinstalled.

Please call the District Office before you start any work.

Huge Office Being Built

OAKLAND, Calif. (UPI)—The final structural piece of steel was bolted into place today on the huge Kaiser Center building, which will be the West's largest office building when it is completed late next year.

The last beam closed a 30-foot span in the roof line, 29 stories above the ground.

The mammoth structure will serve as the world headquarters of the Kaiser industrial empire. It will be the principal building of a \$5 million dollar, block-square development.

The headquarters building will contain a gross area of 976,000 square feet, including 802,000 square feet of usable space—enough to make it the largest office building west of the Rocky Mountains.

Court Grants New Hearing To Ex-FBI Man, Attorney

WASHINGTON (AP)—John Joseph Frank, former FBI agent and government lawyer, has won a new trial on charges of acting illegally as an agent of Generalissimo Rafael Trujillo and the Dominican Republic.

Dividing 2-1, the U.S. Court of Appeals reversed Frank's December conviction on the ground that "the prosecutor's attempt to link him with the Galindez-Murphy affair deprived him of a fair trial."

Frank was indicted by a federal grand jury which investigated the disappearance of Dr. Jesus Maria de Galindez, bitter critic of Trujillo, and General L. Murphy, Eugene, Ore., flier.

Frank received a jail sentence of eight months to two years. The charge was that he acted as an agent for Trujillo and his government without registering under the Foreign Agents Registration Act.

The court's opinion by Chief Judge Henry W. Edgerton took issue with statements made during the case by William H. Hundley, the Justice Department attorney who prosecuted the case.

The opinion noted that Hundley, in an opening statement to the jury, said there would be testimony about a "strong admiration" Mr. Frank expressed in an interview of Trujillo and the Dominican Republic.

The judge noted also that in his closing arguments, Hundley referred repeatedly to testimony tending to link Frank with Murphy and the Galindez affair.

Galindez disappeared March 12, 1956, after leaving a class at Columbia University, where he taught. Murphy disappeared in the Dominican Republic the following December. Some reports said Murphy had boasted of knowledge of the circumstances of Galindez's disappearance.

Air Force Sgt. Harold French testified during Frank's trial that Murphy rented a plane at the Linden, N.J., airport, shortly before Galindez's disappearance. French said he saw Frank at the airport in company of two Dominicans and that Murphy introduced him to Frank as "Mr. Kane."

SHAGGY CAT STORY

WASHINGTON (UPI)—A top government official said the stock market boom reminded him of the old story of the man who said he sold his dog for \$25,000.

A friend, somewhat incredulously, asked if the man had received cash.

"No, two \$12,500 cats," was the reply.

Monday, October 21, 1935—Elks are preparing to start the social season with the autumn ball Saturday night at the lodge temple. The event will be invitational, each member of the lodge being permitted to invite one friend. Mr. and Mrs. Robert Thompson head the committee in charge, which is planning many special returns.

Tuesday, October 22, 1935—Improvements on the winter playground at Keno will be sought in a WPA application approved by the city council Monday night. Carl Cook, recreational chief of the city, made the request, and City Engineer E. A. Thomas prepared the plans and the applications. Four ski slides are planned.

Wednesday, October 23, 1935—Jim Rogers, quarterback of the Klamath high eleven and sparkplug of the Pelican attack which tagged down in the mire of Modoc field last night was high scorer for the team. He and his companions were stopped and while the Eugene outfit, proving better mudders, converted a Klamath fumble into a touchdown for the only tally of the game.

Thursday, October 24, 1935—Members of the newly organized 20-30 club of Tululake, and their wives and friends, were guests of the local club at a banquet at the Willard hotel Wednesday evening. The visiting delegation, headed by President Floyd Boyd, numbered over 40. E. B. Hall, president of the Shasta-Cascade Wonderland association, spoke briefly on the purposes of the organization.

Friday, October 25, 1935—Mrs. B. A. Dohlein and daughter, Opal, of 802 East Main street, have returned home after spending a week visiting in Portland. They were accompanied home by Mr. Dohlein's mother, who will visit her son and family for some time.

Saturday, October 26, 1935—A kick-off breakfast at 7:00 o'clock at the Willard Hotel will start the Salvation Army drive Tuesday morning. The drive is expected to be completed in the one day providing enough teams from service clubs and individual motorists give their support, according to Charles H. Mock, general chairman.
