FRIS-KEE

Girdle and
Pantie Girdle

650

It's new from start to stretch!

The look is new. Fris-Kee seems tiny... but it stretches to hug every curve you own! The fabric is new. It's a light fantastic elastic that slims and trims you, as no girdle ever did before! The design is new. It's dipped at the waistline so it can't ever push up a spare tire... controlled over the tummy for the slenderest possible look! The comfort is new... Fris-Kee actually feels like next-to-nothing on! It gives your figure a fabulous air... like the Maidenform bras you wear and wear!

So don't put off till tomorrow what you can put on today... Fris-Kee, the new Maidenform girdle! Either girdle or pantie style, in convenient packages, S, M, L.
