Hotel Strike Terminated

PITTSBURGH (AP)—Five major Pittsburgh hotels began calling back workers today after a 22-day strike that ended Wednesday night with some 2,300 employees voting by nearly 2 to 1 to end the walkout.

Pickets were removed from the Pennsylvania Hotel, Pittsburgher, Webster Hall, Sherwyn and Roosevelt hotels.

Management began accepting guest reservations immediately and announced that food and beverage service would be resumed Friday.

The new three-year agreement provides a 16-cent hourly package wage increase for non-tipped employees.

For tipped workers, the pact calls for a gradual reduction from the present 43 and 44 hour work-week to 40 hours without loss of pay.

Wage scales under the old contract were not disclosed.

The walkout began Oct. 1 and cost the city an estimated million dollars in revenue from the loss of at least 10 conventions and other trade. The last major Pittsburgh hotel strike occurred in 1946 and lasted 53 days.

Six delegates to the American Society of Anesthesiologists convention arrived here today only to find that the convention had been canceled several days ago because of the strike. One had come all the way from Hong Kong. The others were on vacations and could not be reached in time.

Jurors' Fees Appealed By Man

BOISE, Idaho (AP) — When Kenneth P. Sanders appealed a conviction for illegally buying a nonresident hunting license, a District Court jury found him guilty anyway. He was fined \$100 and given two days in jail.

New Sanders says, the county prosecutor has presented him with a bill for \$181.50—fees for the jury that upheld his conviction.

He's back in court again appealing the bill. His attorney, Charles Stott, claims it deprives Sanders of his constitutional right to trial by jury. The prosecutor's office claims that Idaho law allows presentation of such a bill when the case involves an appeal from a lower court.

ICC Vetoes Rate Boost

SALEM (AP)—The Interstate Commerce Commission has denied the Railway Express Agency's request for a 15 per cent rate increase in shipments of gift packages of fruit from Oregon, to other parts of the country.

The announcement was made Wednesday by Public Utilities Commissioner Howard Morgan, who said it would save shippers between \$600,000 and \$900,000 a year.

Morgan said the proposed increase would have boosted the rates to a point 255 per cent over the 1947 rates.

The Medford and Hood River areas ship nearly two million gift packages of fruit annually.
