

This new Impala Sport Coupe, like all '59 Chevrolets, has Slimline design with Body by Fisher.

**NEW FORM
NEW GRACE
NEW FEEL
NEW SPACE**

Any way you look at it, you can see that the new '59 Chevrolet is shaped to the new American taste. It's fresh, fine and fashionable with new engineering that goes down deep!

One look shows you Chevrolet's all new all over again. And the longer you look, the more you find to like. For example, you see a new and roomier Body by Fisher that makes for more comfortable seating and surrounds you with vastly increased areas of visibility. You also see a remarkable new finish . . . Magic-Mirror acrylic lacquer . . . that keeps its brilliance for years! And there's new feel, new efficiency beneath the

beauty. Bigger brakes. Smoother-than-ever suspensions. A new Hi-Thrift 6 that delivers up to 10% greater gas economy—plus more usable horsepower at the speeds you drive most. Chevy's new right down to its easier riding, easier rolling Tyrex cord tires. Stop by your Chevrolet dealer's soon and see *your* kind of car.
