

9TH & PINE

OPEN FRIDAY NIGHT TILL 9 P.M.

PHONE TU 4-3188

LOIS EVANS, principal at Hanley School until 1953, rejoined the Klamath County School District this year, and is currently teaching the fifth and sixth grades at Malin Elementary School.

PTA NEWS

RIVERSIDE

The population of Klamath Falls has increased about 30.21 per cent since 1947, said Bob Bonney, park and recreation director, at the Riverside PTA meeting October 21 in the school cafeteria.

The regular business meeting was conducted by Mrs. Irvin Whitt, president, followed by a parent-teacher panel discussion on how parents can help the teachers and teachers help parents.

Lower grade teachers agreed that children should know how to put on and take off wraps, tie shoes, have names marked in clothing and on lunches, and that parents should take an interest in assignment papers sent home.

Parents sought more parent-teacher conferences and asked that teachers give a frank, honest answer to the all-time question, "How is my child doing in school?" Riverside Principal Don Golding reminded parents that children must have a written excuse when returning to school after an absence, a doctor's release when returning to school after a communicable disease, and a note showing permission to eat away from the school building.

He also announced that work has started on a new office and health room. The present office will be used for a classroom.

Muriel Majors, Girl Scout, Troop 50, led the flag salute and also took care of small children.

Room prizes went to Mrs. Young's combination first and second grades with 60 per cent parent attendance and Miss Smith's fourth grade room with 34 per cent attendance. The special prize was won by Mrs. Rudy Brown.

Decorations in the Halloween theme were made by Mrs. Orson Stearn's Brownie Troop No. 43. Fifth grade mothers were in charge of the refreshments. Mrs. Verna Dean Long and Mrs. Bruce Hall poured. The next meeting will be November 18.

U.N. DISCUSSED

MALIN—Malin Parents and Patrons Club met recently in the high school music room with president, Mrs. Frank Payor Jr. presiding. The United Nations was the theme of the evening's program.

Stanley Randolph of the United Air Lines in Klamath Falls showed colored slides of the Brussels World's Fair.

High school students presented a debate on the subject, "The U.N. Can Solve Serious Problems." Taking part were Jim Owens, Karen Rajmus, Nancy O'Riley, Janet Drager, Nancy Kolkow and Jim Greene. Faculty member in charge was Robert Croft.

Mrs. George Fabianek sang two selections. Membership chairman, Mrs. Bob Victorin, announced that Mrs. Lois Evans' fifth and sixth grade room won the recent membership drive.

Refreshments were served following the meeting by mothers of the seventh and eighth graders.

REPORT GIVEN

BONANZA — A large crowd attended the Bonanza Parents and Patrons Club when they met at the high school auditorium on October 22.

During the short business session, presided over by the president, Howery Roberts, a report was given on the completion of the fence around the school yard. The work on the steel post and wire fence was done by Roberts, Lavene Haskins, Henry Oberheide, Claude Shuck, Homer Dixon, Art Monroe, Walter Smith Jr. and Ralph Dixon.

Twenty-four new members have joined the club according to the membership committee of Claude Shuck, Beverly Roberts and Carolyn Dearborn.

Awards were presented to members of the 13 4-H clubs in the Bonanza area by Francis Skinner, Klamath County 4-H agent, and Keith L. Houk of the First National Bank of Oregon in Klamath Falls.

Refreshments were served by Evelyn Seater, Maxine Brown, Carolyn Dearborn, Dorothy Smith, Beverly Yancey and Lois Monroe.

HEARING SET

SALEM (AP)—Public Utilities Commissioner Howard Morgan Tuesday announced a hearing at Spray Nov. 13 on tariffs filed by Blue Mountain Telephone, Inc.

The revised rates would affect local exchange rates for Long Creek, Mitchell, Monument and Spray districts.
