

TUNA FOR CATS comes now in convenient sized cans, packed by Kal Kan Foods, Inc.

KAL KAN

Tired slicing raw liver or cutting up pork kidneys for the feline in your family?

Maybe you ought to try again to convince the cat in your life that he'll do just as well or better on canned cat food.

Kal Kan has introduced all red meat Tuna with sauce for cats. The product is in distribution in this area.

There is no way to guarantee that a cat will eat any given food. Perhaps your cat likes steamed cauliflower with cheese sauce and turns up its dainty nose at fresh crabmeat. We've all known cats with unusual tastes in food.

But when you find a canned food that your cat will eat, it is well to keep some on hand for the evenings you're late getting dinner for the cat in your life.

PONDEROSA Household Cleaner, that creamy white cleaner which is an Oregon product, is particularly useful for trailerhouse living. Use it like furniture polish on anything but calcimine, non-washable paints, asphalt or rubber tile.

Household Cleaner

The Ponderosa line of household aids, made in Portland and distributed all over the state, is gaining greater acceptance.

Ponderosa Household Cleaner is bottled ready to use. Just wipe it on and wipe it off. It contains no wax, harsh acids, ammonia or abrasives, according to its warranty and leaves the original finish.

Eugene A. Cates, representative of the Portland firm, was in Klamath Falls recently and said the line is finding unusually great approval from the many homemakers who keep house in a trailer. The compact, efficient kitchen areas must be kept spotlessly clean and the homemaker is constantly on the alert for a more efficient cleaner.

Ponderosa Household Cleaner has a very pleasant odor, faintly reminiscent of citrus, so spots can be wiped up, using the cleanser, even while preparing a meal.

Turkey Thermidor

For sumptuous dining at holiday time, serve "Turkey Thermidor"—a heavenly mixture of leftover turkey, mushrooms, cream and mellow-flavored Calavo avocado. Yes, it's very rich, but it's delectable! Fine-flavored winter variety Calavo avocados are due back on the market now. You might celebrate their return by serving this gala dish.

TURKEY THERMIDOR

1 small onion
3 tablespoons butter or margarine
3 tablespoons flour
1/2 teaspoon salt
2 cups light cream
2 tablespoons Sherry wine
2 cups diced cooked turkey
2 (2 1/2-ounce) cans mushrooms
1 cup grated sharp American cheese
1 large Calavo avocado

Chop onion finely and cook slowly in butter until transparent but not browned. Blend in flour and salt. Stir in cream, and cook and stir until mixture boils and is thickened. Blend in wine, turkey for chicken, drained mushrooms, and heat. Stir in half the cheese. Turn into shallow baking dish. Cut avocado into halves and remove seed and skin. Slice fruit over top of baking dish and sprinkle with remaining cheese. Bake in slow oven (300 degrees) five to 10 minutes, until cheese is melted. Serve at once.

Makes five to six servings.

GOOSE TALK

A 12-pound goose will serve 8 persons compared with the 16 to 20 persons who can be served from a turkey of the same weight. For the carver: Wings and thigh joints are much closer to the backbone of a goose than a turkey. Cut the broad flat breast meat across the grain by slicing straight down to the bone rather than parallel to the bone.

This big savings event continues thru Saturday, November 15th at every store in Oregon and S. W. Washington.
