STOCKS

WALL STREET NEW YORK (AP)—Late profit taking skimmed the cream from a big stock market rise today. Prices were mixed at the close. Gains by chemicals and selected issues gave the list an apparently higher tendency.

Volume for the day was estimated at 4,600,000 shares compared with 4,600,000 Wednesday. Leading stocks rose fractions to three points or better.

Steel, rails, oil, utilities and selected issues joined in the continued rise from Wednesday's surge to a record peak.

Eastman Kodak and Du Pont were ahead around four points. Allied Chemical about three and Air Reduction more than two.

American Chicle, which continued responding to stock split proposals, rose more than three.

Youngstown Sheet and Jones & Laughlin paced the steel section with gains of two points or so.

U.S. Steel was ahead more than a point as was Republic Steel.

General Motors rose around two and Ford a point or so.

American Motors, off around a point, was a casualty on profit taking. Other losers were Boeing and General Telephone, both down more than a point.

Sylvania Electric dropped around a point.

Illinois Central, Texas Co., and Pfizer rose more than a point apiece. Other gains around a point or better were scored by Royal Dutch, Standard Oil (New Jersey), Texas Co. and American Telephone as the market advanced on a broad front.

International Nickel was about two points ahead in a somewhat spotty nonferrous metals section.

U.S. government bonds were narrowly mixed.

Escapée Gets Remanded

SAN QUENTIN, Calif. (AP) — The San Quentin prisoner who escaped in a stolen plane two years ago and surrendered Oct. 29 has received comparatively light punishment from the prison disciplinary committee.

Gerald E. Baucum, 29, still faces prosecution for his escape and the State Adult Authority has yet to set the sentence he was serving when he escaped from an honor camp. He was serving five years to life for a San Francisco robbery when he fled.

The prison committee ordered that Baucum serve seven days in isolation, forfeit his \$15 a month honor camp earnings and be permitted to leave his cell only in the daytime for an indeterminate period.

Baucum lived in Butte, Mont., under the name of John Frank Kelly after his escape and got married. With a child on the way, he returned to prison to "get the past cleaned up."

House Razed By Flames

A Monday afternoon fire, reported initially as a closet fire, actually destroyed the house at 1538 Hope Street, owned by Kenneth Collins, taking with it the clothing and furniture of a family of five.

The family, which now has an urgent need of furnished lodgings and clothing of all kinds, consists of Mr. and Mrs. Donald R. Wells, their two children, Terry Lee, 3, and Wendy Susan, 6 months, and Mrs. Wells' grandmother, Mrs. Perry Bond. They moved here, from Springfield one month ago, so that Wells could attend O.T.I. where he will graduate in mechanical drafting next June.

Anyone having articles of clothing or furniture to contribute to the family, or a lead on suitable accommodations to give them, should leave a message with the operator at the O.T.I. switchboard, TU 2-3466.

Pickpockets Rob Guests At Ladies' Day Meeting

The Kiwanis Club observed Ladies' Day at its meeting in the Willard Hotel Thursday noon. So did some pickpockets.

City police said three club guests reported their purses were carefully examined while they left the powder room for a few minutes.

Polio Clinics Set To Begin

The final and last of three polio immunization clinics which have been sponsored by the Klamath County Council of Parents and Teachers to provide polio immunization for persons of all ages at a minimum cost, will be started November 12.

Weekend Road Accidents Result In Injuries To 10

YREKA — The Yreka office of the California Highway Patrol reported that three weekend highway accidents resulted in minor injuries of 10 persons.

A school bus carrying 28 children, driven by Mildred Miller, 29, of Tulelake, overturned on Modoc road, one-half mile south of the Oregon State Line, resulting in three Newell Union School District students receiving injuries. They were Beverly Fairclo, 8; Judith Schaffner, 11; and Ruth Cook, 13, all of Tulelake. They were treated at the office of Dr. I. Spomer, Tulelake.

According to the bus driver's story to the highway patrolmen, she was northbound on Modoc road, when her attention was diverted by musical instrument cases, starting to slide across the floor of the bus, causing the right front wheel of the bus to drop onto a soft shoulder. Highway patrolmen stated that the bus apparently skidded for about 170 feet, then overturned on its right side in the ditch.

Treated at the Siskiyou County General Hospital for minor injuries were Mrs. Lela Lee Harding, 27; David Harding, 9, and Mike Harding, 3, all of Yreka, who received the injuries when their vehicle overturned on a curve three miles north of Yreka on Highway 99, while trying to avoid a rock in the road. Mrs. Harding, who was driving, told patrolmen she was returning home with her children from a movie in Yreka when she struck the rock, causing her car to overturn.

The third accident involved three cars and occurred Saturday night at 12:55 p.m. on Highway 99 near the J. F. Sharp Company mill, south of Yreka. Richard L. Juetten, 30, Prineville, Oregon, was driving the car that collided head-on with another automobile driven by Edwin V. Bissotti, 39, of Yreka, and then continued on to strike a parked car driven by Clark R. Olverson, 16, of McCloud.

Taken to the county hospital for treatment were Edmond Bissotti, Mary B. Bissotti, 11, Clark Olverson and Donna Kay Franklin, 16, of McCloud, a passenger in Olverson's vehicle.

According to the highway officers, Juetten apparently thought the road was a divided highway, pulling onto the wrong side of the road and into Bissotti's car. Olverson was hit as he was lying under his parked car checking the muffler. Juetten was cited for driving on the wrong side of the road.

Hot Rodders Set For Exhibition

Among visiting cars to be on display at the new armory during this weekend's auto show are three choice items from Medford. One, Noel Black's Skylark, is a well known dragster. The others are a '27 Model T Ford roadster belonging to Monty Wray, and a rear-engine roadster-dragster of Bellon Webber's.

These cars should be standouts of the show, which is being sponsored by the Klamath Falls Timing Association, an organization which has two local dragster groups, the Pelican Racers and the Rakers. In addition to dragsters and custom cars, hot rods and sports cars will be on display.

The show will open at 10 a.m. both Saturday and Sunday closing at 10 p.m. Saturday and 6 p.m. Sunday. There is a nominal admission charge.

Three Request Probation But Two Are Given Terms

Three prisoners appeared before Circuit Judge David R. Vandenberg for sentencing Friday, all with an appeal for probation.

The judge honored one appeal and rejected the other two.

Lee Arnold Craig, 42, Merrill, was sentenced to three years in the penitentiary on a forgery charge; Roy Raymond Compton, 18, Eugene, was sentenced to a year in the county jail for burglary in a dwelling, and Bill Edward Carson, 28, transient, was given two years' probation.

Craig, through his court-appointed attorney, Robert G. Danielson, maintained he had been in no trouble before he was arrested in Merrill October 25 for forging the
