

DORRIS FREEWILL BAPTIST CHURCH

Church Plans Special Rites

DORRIS — A series of five special services in the First Freewill Baptist Church of Dorris, which began November 5, will culminate in a mortgage burning service on the evening of November 9.

Plans for the series of meetings which will open each evening at 7:30 were announced by Rev. H. D. Gentry, who also is employed as a border officer at the Dorris Inspection Station.

The church here was established June 24, 1955. On the first Sunday, 12 persons were present for Sunday School. Now there are 87 enrolled with an average attendance of 55 during the last year.

The church is located at the corner of California and North streets where construction was begun on July 30, 1955. Since that date the church has been enlarged to accommodate the growing congregation and a steeple has been added. The indebtedness was paid off on October 1 of this year.

History of the Freewill Baptist Church goes back to the 17th century according to the pastor. An entire church, congregation and pastor, came from Wales and settled on the Delaware River. Out of this group was developed the present Freewill Baptist churches, active in all missionary and educational endeavors. Headquarters of the church are in Nashville, Tennessee.

REV. CARL F. NITZ

The Rev. Carl Nitz, counselor in stewardship and education for the Northwest District of the Lutheran Church, Missouri Synod, will preach Sunday, November 9, in the morning service at the Zion Lutheran Church.

Pastor Nitz served this congregation 15 years ago. After a short ministry here, he was called as dean of students to Concordia College at Portland.

Pastor Nitz will encourage the congregation to continue the work of spreading the good news of salvation in Christ, which the Lutheran Church, Missouri Synod, has started in 28 foreign countries. He will ask each Christian to be a home and foreign missionary.
