My sincerest thanks to all the people who have come in to welcome me to Klamath Falls. My wife and I have moved and settled here, and like it very much. The response to my New Manager Sale last month was gratifying and I am deeply grateful as it is my first manager's job.
I recently told my boss, "I may not have made a lot of money but I sure made a lot of friends." And I got permission to continue the same prices for a while longer. So won't you stop in and 'shake my hand' and receive a nice free gift for your kindness? Sorry to have made a speech out of this but I wanted you to know I am grateful.
