## automatic electric can opener

only **17.87**

A Flick of a Finger opens any size or shape can... even difficult ham or sardine cans... neatly safely... automatically

Just slip can in place and flick the switch. The BVI Automatic Electric Can Opener grips, locks, perforates and opens the can... then shuts itself off! Can remains firmly locked in place until released. Edge is rolled back to a safe smoothness. Replaceable cutter blade removes easily for quick cleaning. Come in and see it today.
