Project Set By Auxiliary

Members of Unit No. 8, American Legion Auxiliary are preparing for the annual auxiliary project, preparation of a box of gifts for the gift shops in the veteran hospitals in Oregon. These gifts are to be displayed in a hospital room where veterans may shop for Christmas gifts for their families.

Gifts donated should be new, unbreakable and well chosen for children and adults of all ages.

If veterans are unable to visit the gift shops, members of the auxiliary arrange the items attractively on mobile carts and take them to the veteran. When selections are made the Christmas gifts are wrapped and mailed free of charge by auxiliary members to the family of the incapacitated veteran. Hospital workers in the auxiliary donate their time to this project and the many others accomplished during the year.

Anyone interested in this project

who would like to contribute to the gift shop may call chairman Elizabeth Petersteiner, TU 4-3828, who will call for the articles. Gifts should be sent or taken to Mrs. Petersteiner not later than November 18. Auxiliary members may take their gifts to the November 18 meeting to be held at the legion hall on North Eighth Street.
