NIP REVOLT ATTEMPT
 ACCRA, Ghana (UPI) — Police arrested 43 persons Monday night to break up an attempt to assassinate Premier Nkrumah and overthrow the government, officials announced.

VENTURE CLUB GIRLS who will take the responsibility for the 1959 Mothers March during the annual polio campaign are getting started early to assure success of the drive. The club now has 20 active members. To plan for the march this foursome met at the home of Anna Marie Eck, 2129 Eberlein Street, for coffee and to outline committees and schedules. Left to right are Jack Insley who will serve again this year as Klamath County drive chairman; Jo Anne Borden, publicity chairman; Mrs. William (Dixie) Mendel, and Walker Larson, new state supervisor of the National Infantile Paralysis Foundation. With the decrease in the need for large sums for polio research, some of the money from the annual drive will be diverted into other health research channels. Kathy Gallagher is Venture Club president.

Agent Identifies Dead Man's Body

NEWPORT, Ore. (AP) — A body found Tuesday lodged in rocks some 30 yards from the south jetty of Yaquina Bay was tentatively identified as that of Dennis Fricke, 40, of Portland. Fricke was the pilot of a boat that capsized when he and three others attempted to head out to sea in the pre-dawn fog and darkness Oct. 30. The three others, who struggled ashore, were Mrs. Florence Hampton, 30; Louis Heikkala, 40; and Frank Majors, 25, all of Toledo. They four were headed for a salmon fishing trip. The identification of Fricke's body was made by the Lincoln County coroner's office.

LETHAL CAPSULE STOLEN

LONDON (UPI) — Police searched today for a radioactive capsule dangerous enough to kill a person carrying it in his pocket. It was stolen from an industries exhibition in Glasgow.

VERY INTERESTING

NEW YORK (UPI) — "The 1958 Statistical Guide for New York City" disclosed, among other facts and figures, that there are 90,984 fire hydrants in the five boroughs.

Early Days In Community Reviewed By Bly Pioneers

Pioneers of the Bly Community, Frank Obenchain Sr. and E. J. Casebeer, reviewed the early days when horses and cattle were the source of income for ranchers, at the November 5 meeting of the Klamath County Historical Society.

Casebeer recalled the time when ranchers ran from 200 to 300 horses and an equal number of cattle on a single ranch including the Bells, Taylors, Wells, the Walker brothers, Albert, Buckley and Dave; the Parker family, one of whom (Lola, Mrs. Jim Driscoll) lives in Klamath Falls.

His parents operated the stage stop in Bly from 1898-1901 and again from 1906 to 1908, when the stage road passed through Bonanza, over the mountain to Bly and from there to Lakeview making three stops en route.

The first school was in a log schoolhouse built in Barnes Valley where classes were held three months during the summer. Both men attended school there.

Under the U.S. Homestead Act, many people came to the Bly country to take timber homesteads. It was necessary for them to file on these claims in Lakeview and often to stand in line before the U.S. Government Land Office all day. When patents were received on the land by those who filed, the claims were sold to timber interests. This was about 1905-1906. These timber claims brought around \$2,500 each.

Ed Fitch had the first sawmill in the Bly country, selling to the Hamaker family, Miller and Lux.

ESTHER WILLIAMS TO ESTABLISH DISTRIBUTORSHIP IN KLAMATH FALLS

1959 Distributor Appointment Program Just Starting

The International Swimming Pool Corporation, world's leading manufacturer of home and motel swimming pools, has just launched the largest new distributor appointment program in the company's history. International is the exclusive manufacturer of the famous Esther Williams Pools and is expanding manufacturing, service and training facilities in order to serve an additional 500 communities.

Backed by the biggest swimming pool publicity and advertising campaign ever announced in the industry, the new distributor appointment program is scheduled to be completed within six weeks.

This market has been selected by International's Marketing Committee for one of the new distributorships. An Esther Williams marketing executive will personally consult with home owners and motel owners and consider applications for the Esther Williams distributorship in this area (see box below).

DISTRIBUTOR QUALIFICATIONS

Good character, a successful business background and a desire to build your own business are the prime qualifications for an Esther Williams distributorship.

The home and motel swimming pool business has become one of America's fastest growing new industries. The Esther Williams Pool is the undisputed leader in this new industry, accounting for 30 to 40% of all the permanent-type pool business.

Industry sales have more than doubled every year for the past three years. Trade experts, however, point out that pool sales have not yet reached boom stage. Sales on a gigantic scale are expected to begin in 1959 and continue for many years to come.

No franchise fee is required of a new Esther Williams distributor. Distributor appointment will be expected to make a modest investment in self-liquidating inventory with big profit potential. Construction experience is not a requirement.

ATTENTION HOME OWNERS

If you have an acquaintance who is interested in the exclusive Esther Williams distributorship in this area, contact the Division Marketing Manager at the address or telephone in box at right. If your recommendation is appointed, you will be entitled to an Esther Williams Family Swimming Pool at dealer cost!

America's Largest-Selling Family and Motel Pool To Be Available In This Area

Esther Williams, glamorous president of International Swimming Pool Corporation and world famous authority on swimming and swimming pools.

At a recent distributor conference, Esther Williams observed that, "It is truly amazing how quickly a community becomes swimming pool conscious following the appointment of the distributor for our complete line of family and motel pools." Many swimming pool authorities credit Miss Williams as being the major influence in speeding up the trend to family swimming pools—a trend that is sweeping across America and making the backyard family pool a sound investment, as well as the new and accepted adjunct to American family living.

At the same conference Miss Williams also explained, "I believe there are four basic reasons

why the Esther Williams Pool is outselling all others by a wide margin.

"First, it's the safest pool with the exclusive safety walk all around, the flat play area and the safety cover. These features give parents peace of mind. Being the mother of three energetic children, I can assure you these wonderful features give me peace of mind."

"Secondly, an Esther Williams Pool is built to last because of the rigid construction standards established by our Engineering Department—poured concrete, steel reinforced throughout and covered with exclusive Perma-Seal Poolskin which

eliminates costly painting expenses.

"The third basic reason is that an Esther Williams Pool is complete in every respect for convenience, maximum family fun and the most economical maintenance—everything including filter, underwater light, stainless steel ladder, laminated diving board and 10 other items. There are no hidden extras to buy."

"And, the fourth reason more people from coast to coast are buying this complete pool than any other is the integrity on the part of Esther Williams distributors to provide the finest possible pool at lowest cost."
