

Chief Notes SSA Changes

Changes now in effect in the Social Security laws and those to become effective next January were discussed by Wilbur Womer, local Social Security director, at the November meeting of the Life Underwriters of the Klamath Basin. The meeting was held on November 7.

"Benefit increases to about seven per cent," Womer told the group, "and will be reflected in the February checks."

The increase in the disability benefits paid to disabled workers was also discussed by the speaker.

Merlin Bleak, president of the local life underwriters, spoke briefly on the advantages of belonging to the local organization which makes available reports on new legislation and new regulations. The group also brings in qualified speakers for the regular monthly meetings.

Health Classes Series Planned

Public classes will be offered again this winter in Klamath Falls by the Oregon Public Health Department, it is announced by Dr. S. M. Kerron, Klamath County public health officer.

Dr. Edward Scott of Portland, from the State Health Department, will hold classes in Room 118, Klamath Union High School, starting at 7 o'clock each Tuesday from November 18 through May 19, 1959.

The winter course was expected to start in October but was delayed by Dr. Scott until next Tuesday evening.

"Emotional Problems of Children and Emotional Factors in Teaching" will be discussed by Dr. Scott. The sessions are open to the public, but emphasis in the subject matter will be directed especially toward the teaching profession.

EXAMINATION SET
CANY, Calif.—An examination of postmaster at Canby, \$4,620 a year, will be open for acceptance of applications until November 25, according to the U.S. Civil Service Commission. Complete information about the examination requirements and instructions for filing applications may be obtained at the Canby Post Office.

Basin Briefs

Meeting—A special meeting will be held at 10 a.m. on November 30 at the Lee Wicks home in Quartz Valley for all Indian members on the tribal roll. The meeting is in regard to the termination bill and all members, especially the homeless, landless and needy are urged to be present.

New Son—Russ is the name of the new son born to Mr. and Mrs. Buster Taylor of Greenview. The baby weighed 8 lbs. at birth and is the second for the Taylors.

Card Party—Lost River Grange is holding a card party at the grange hall in Olene on Friday night, November 14, at 8 o'clock. The public is invited.

Community Council—The first annual meeting of the Community Council of Klamath County will take place Thursday in the Camas Room of the Winema Hotel, Klamath Falls, beginning at 5:30 p.m. The meeting will be largely devoted to the submission of committee reports with no elections scheduled.

"Rocky Shoals"—Pfc. William C. Caudell, 21, son of Mr. and Mrs. H. C. Caudell, Paisley, participated in "Exercise Rocky Shoals" off the California coast, an Army amphibious assault exercise that ended Tuesday. Caudell is stationed at Fort Lewis, Washington. A graduate of Paisley High School, Caudell entered the Army in January 1957.

Bring Family—and friends to Lost River Chapter Order of DeMolay Mothers Club potluck supper at Henley Grange Hall Saturday night, November 15, at 6:30. Please bring a hot dish and salad or dessert. A card party will be held after supper as a fund raising project. Tickets, 50 cents per person.

Tax Discount Deadline Near

When people stand in line to pay taxes, there must be a reason for it.

That's what the customers have been doing. The office of Mrs. Esther Newell, chief deputy tax collector, was confronted by a waiting line that numbered at least 10 persons at one time Wednesday.

The reason is that November 15, or sooner, is an excellent time to pay taxes. Taxpayers get a 3 per cent discount if they pay the whole bill on or before the 15th.

On the other hand, the county charges interest if the first quarter bill is not paid by that time.

Because November 15 is this Saturday, the office will be open until 5 p.m.

Special Events Note Close Of U.S. Education Week

Many special opportunities for parents and the public to visit schools in Klamath County will be afforded Thursday evening and Friday, when various special events will bring American Education Week to a close.

Possibly the major event this evening will be an open house at Klamath Union High School which will begin with a general meeting starting at 7:30 in Pelican Court. From this point a tour of the classrooms, where teachers will be waiting to receive the visitors, will begin with students serving as

guides. The Parents and Patrons are sponsors of this program, scheduled to last until 10 o'clock, to which all parents of high school students are invited. Refreshments will be served in the cafeteria at the end of the visit.

Similar open house events are scheduled this evening for Fremont School where the visiting period, from 7 to 8 o'clock, will be followed by a program, and for Mills and Ponderosa schools, where programs will begin at 7:30. Day-long open houses will be held at Altamont Elementary and

Shasta schools and in the upper grades at Fairhaven. A number of schools have been conducting day-time open house all week and tomorrow will naturally be the last day of this program. The schools involved are Conger, Riverside, Pelican, Chiloquin, Bonanza, Altamont Junior High and Sprague River.

Malin School will hold its American Education Week program on Friday, beginning at 2 p.m.

Tuesday with a visit scheduled for 7 p.m. and a program for 7:45 p.m. On Wednesday, Pelican School will hold a similar program with the visit set for 6:30 p.m. and a PTA meeting and program for 7:30. Fairview School will hold its open house on Thursday, the visit beginning at 7 p.m. and the PTA program at 7:45.

Siskiyou County Reports Increase In Employment

YREKA—Siskiyou County is in "good shape this year, employment-wise, as compared to last year," was the optimistic report released last week by George Van Buskirk, California Department of Employment manager for the Northern Siskiyou area.

Van Buskirk attributed the brighter outlook to the fact that good weather has prevailed this year, whereas last year bad weather had an early start. And he further stated that he did not anticipate the claim loads to be as heavy this year, that a "normal seasonal employment increase" has continued over October's employment figure.

Since the lumbering industry in Siskiyou County takes a seasonal downward trend during winter months, the employment office has outlined a schedule for trips to outlying towns to accept claims to save claimants the trip to the Yreka employment office.

The following schedule as announced by Van Buskirk is: Dorris, starting November 14, and on each Friday every two weeks thereafter; Etna, Tuesday, November 18, and alternate Tuesdays thereafter; Fort Jones, Tuesday, November 25, alternate Tuesdays thereafter; Happy Camp, service started Wednesday, November 5, to continue on the first Wednesday of each month, as long as necessary.

Van Buskirk stated that Tulelake was omitted because there were not enough claims in the past to justify the trip. However, Tulelake claims will be accepted at Dorris. Payments will be made through various banks after unemployment vouchers are issued except at Happy Camp, where checks will be received by mail.

Crab Fishermen Set Prices

COOS BAY, Ore. (AP)—Crab fishermen in three Pacific Coast states said Wednesday they will not sell to processors this year for less than 12 cents a pound.

Sixty fishermen from Oregon, Washington and California disclosed their stand only three days before the opening of the Oregon season.

The seasons in the other states open in December.

Last year fishermen rejected a processors' offer of 6 cents a pound, and finally received a price of 10 cents.
