

CHANTILLY

Don't be in a mess trying to guess what color or size they wear. Why fuss and fret about what to get and go about tearing your hair?

Just make up your mind to better use your time. By doing your gift shopping with ease. You'll have cause to rejoice if you make fragrance your choice. For you know it will be sure to please.

All set for Christmas shopping with a long list of gifts to buy? If you are subject to a sudden case of amnesia when it comes to remembering sizes or preferred colors, here is a little advice: choose fragrance for everyone. It is easy to buy and carries long, happy associations.

The best gift of all is the real perfume and Houbigant—who has many ideas that will find a welcome spot under the tree—offers three scents which are sure to please.

If she is feminine, young and gay, she will enjoy Chantilly, a slightly spicy fragrance. Flatterie, a rare blend of many notes, is a hit on the woody, floral side, a good choice for the sophisticated. The flower fancier, and the woman who knows and wears fine perfume, will be delighted with Quelques Fleurs, a blend of beautiful blooms.

Chantilly perfume is available in a graceful new setting. The flacon sits on a pedestal of filmy tulle and is topped with a pink and white colifret. It comes in two sizes: half ounce and one ounce. If she is modern and practical, she will favor perfume with a marvelous Hermetique atomizer which protects the essence from evaporation and change. It even measures each spray so waste is completely impossible. The bottle itself is jet black to prevent damaging light from penetrating the perfume.

Here are other suggestions: If her calendar is always full, she will appreciate a gift that will save her time, and eau de toilette spray mist does just that. Just touch the top and she will be quickly surrounded with lasting

scent. This is available in Chantilly, Flatterie and Quelques Fleurs, each garnished with a pompon which can easily be removed and used as a boutonniere. Houbigant offers an elegant prop for the purse called Golden Touch. This water-thin purser holds a quarter ounce of perfume—Chantilly, Flatterie or Quelques Fleurs—and strokes on as easily as a lipstick because the applicator is built right into the purser. Just tip the flacon and touch it to your skin. It can't spill, is convenient and economical to use.

A large size dusting powder with a lamb's wool puff is teamed with a flacon of perfume—sheer heaven for the sybarite. Chantilly eau de toilette and liquid skin sachet are surrounded by filmy tulle and a tiny bouquet of flowers. The see-through package is merry with growing flowers and lively butterflies.

A gift that looks much more expensive is Chantilly eau de toilette and perfume in a round pink and white package, with a nose-gay of flowers.

HOLIDAY TURKEY

Baste your holiday turkey with wine-butter. Equal parts of California chalc, sauterne or rose wine and melted butter give superb richness of color and flavor. Double your enjoyment of the holiday bird by serving California wine with dinner.

VEGETABLE TREAT

For a delicious, quick holiday vegetable, stir some of the rich turkey drippings and a little lemon juice into hot canned blue lake green beans, the tender beans grown in Oregon. Top with sliced almonds to make them real fancy.
