Here's how we make certain each Safeway turkey is tender, juicy, just-right in flavor.

Count on your Safeway Turkey to be perfect in every way. We know it will be. We buy only U.S. Grade A birds — the very highest grade. They are cleaned and dressed to perfection in modern, spotless turkey plants, under constant U. S. Government Inspection. Then, all the fresh flavor is sealed in by quick-freezing and vacuum-wrapping that protects your beautiful bird all the way to your kitchen. Safeway also has stuffed turkeys, ready for roasting. You get a turkey that is spotlessly-clean — one that is plump and full and round, just loaded with tender, juicy, sweet-tasting meat. You will serve it proudly. Our unconditional money-back guarantee goes with every turkey.
