Check the numbers in the box above with those appearing on your cards. If you have 5 of these numbers, on any one card, in a straight line ... down, across, or diagonally ... you are a winner! Now simply follow the rules you'll find printed on your card.

If you do not have a winner this week, KEEP YOUR CARD! You can play it again and again against new sets of numbers that will appear in our ads for the next 11 weeks. All cards can be played for 12 weeks against ANY set of numbers we advertise.

SPECIAL INSTRUCTIONS ... Please note that the numbers in game No. 9 above, appear within an octagon. The numbers in game 3, previously published, also appeared in an octagon. DO NOT COMBINE NUMBERS from games 3 and 9. Play only one published set of numbers against your cards, regardless of design. This also applies to games 1 and 7, numbers of which appeared in stars, and games 2 and 8, numbers of which appeared in triangles. Each design will be repeated twice during the 12-week contest. So be sure to play only one 30 number set against your cards at any time.
