Upset Stomachs Hit Mexico City Tourney

MEXICO CITY (AP)—The International Golf championship and Canada Cup matches got under way today, but there was an upset before they started. Upset stomachs, that is.

Almost a dozen of the 64 players from 32 countries who teed off today in the world championship of golf suffered varying degrees of "turista" — upset stomachs — on the eve of the tournament.

Ben Hogan and Sam Snead, the favored U.S. entries, were not hit.

Pills relieved the majority of those affected and tanks of oxygen at the ninth and 18 holes today will take care of others who have complained of the mile-and-a-half high altitude.

The brightest field yet for the International and Canada Cup matches went into action early this morning on the tough but beautiful 7,216-yard, par 72 Club de Golf Mexico course.

The two-man team with the lowest combined score will win the Canada Cup. Individual low scorers win the International championship.

For a while Wednesday it was feared the field might be cut by illness. Several players reported for practice with upset stomachs.

They included John Panton of Scotland, Dave Thomas of Wales, Frank Phillips of Australia, Al Balding and Henry Martell of Canada, Bernard Hunt of England and Flory van Donck of Belgium.

None was seriously ill, although Thomas left the course after playing five holes of listless golf. Panton also quit after a few holes.
