'59 MERCURY SHOWS YOU WHAT NEW REALLY MEANS:  
MERCURY ANNOUNCES THE COUNTRY CRUISERS  
Newest ideas in Cargo and Comfort Cars

The value-leading Commuter (top left), the luxurious Voyager (right), the incomparable Colony Park (foreground).

Wonderfully new...from dramatic hardtop styling to convenient Fold-Away 3rd seat

They are called Country Cruisers because they go far beyond the scope of ordinary station wagons. To bring you the finest quality touches and workmanship, these Country Cruisers are built in a special plant, devoted exclusively to Mercury station wagons. It is the only one of its kind in the industry. To make them the most beautiful and useful station wagons, they are built with the thoughtfulness and care of custom-built cars.

In addition to the new ideas shown at the right, Mercury offers you the most usable cargo space in any station wagon. More comfort, too. More space between seats...9 inches more leg room up front, 6 inches more entrance room, too. The new Marauder V-8 engines are as economical as they are brilliant. The quiet smoothness of the ride is matched only by the costliest passenger cars. And there is so much more. See these luxurious Country Cruisers in person at our showroom.

ONLY SELF-STORING THIRD SEAT THAT FACES FORWARD  
Passenger space becomes cargo space in seconds in the Country Cruisers. Now the 3rd seat, as well as the 2nd seat, is self-storing. No need to remove seat cushions and haul to garage; the 3rd seat folds down, slides away into a recess in the floor.

NEW! CONCEALED PACKAGE COMPARTMENT  
Now... for your valuables, a secret storage space with lid and lock. Conveniently located just in front of the tailgate—a hidden floor "safe."  
UNIQUE HARDTOP STYLING...RETRACTABLE REAR WINDOW  
No view-blocking pillars with Mercury's hardtop styling. One pillar replaces three found in most wagons. The rear window slides down into tailgate. This eliminates the need for the heavy liftgate.
