BEAUTIFUL, DUTIFUL WAGONS! '59 CHEVROLET

Here are station wagons as sweet looking as anything on wheels. Works of art to the eye—with fresh, fine Slimline design shaped to the new American taste. And real workers of art when it comes to carrying things—with roomier new Bodies by Fisher, an even smoother ride and new ease of handling!

Wagons were never so well groomed—yet so full of room. Besides additional cargo space (a full 10-foot span with the tailgate down), you get more seating room (4 inches more in front, over 3 inches in back). There's even more seeing room, with a new Vista-Panoramic windshield that curves overhead. Your dealer's got all the details on why this year—more than ever—Chevy's the one for wagons!

what America wants, America gets in a Chevy!
