Make this her happiest Christmas with your gift of new figure beauty—the Stauffer Home Reducing Plan.

For a Wife Whose Husband Loves and Understands Her

BEFORE CHRISTMAS, Mrs. Margaret Tryon of Minneapolis was a hefty 151 pounds, wore size 16. She tried to reduce many times. Then last Christmas her husband gave her the Stauffer Home Plan.

A FEW MONTHS LATER Mrs. Tryon has a trim, 118-pound figure, wears size 8. Stauffer took off excess pounds and inches, improved posture, firmed, toned muscle tissue. She looks and feels years younger.

There are many things you might give her. But, if your wife has a weight problem—or if she has extra pounds and inches in the wrong places—the one Christmas gift that will make her happiest is a lovely, new figure.

Of course, figure beauty is a highly unusual gift. Perhaps you've never even thought of it. However, this Christmas thousands of husbands actually *will* give their wives a beautiful new figure with the Stauffer Home Reducing Plan.

The heart of this famous plan is the motorized "Magic Couch" pictured above. With this couch and sensible caloric reduction, the Stauffer Home Plan slims and trims inches and pounds in a relaxed, effortless way.

It will mean the end of losing battles with starvation diets and strenuous exercise. Inches and pounds will melt away from hips, thighs, tummy, waist, legs. And best of all—the Stauffer Plan will help her *keep trim!*

The rewards are great. She'll look and feel years younger without those extra pounds. And—you'll have a happier wife, one with young ideas and a figure to match. This year give her the one thing she wants most of all—a beautiful new figure. It's hers—when you give her the Stauffer Home Plan.
