Kentucky To Face Test Play This Week

By THE ASSOCIATED PRESS
Kentucky may not have nearly as good a basketball team as when it won the NCAA championship last spring. Four of the five starting players are gone. But if Coach Adolph Rupp is short of talent, you can bet he aims to find out soon. He is used to being surrounded by better-than-average basketball players. Left this season with only talented Johnny Cox from the team that gained a surprise victory in the NCAA tournament last March, he has put together a squad that has won its first two games.

Willamette U. Places Ten On All-Stars

By THE ASSOCIATED PRESS
The high-riding Willamette University Bearcats placed 10 men on the Northwest Conference All-Star team announced Saturday. The Bearcats rated among the top 10 small colleges in the nation most of the season and won the conference championship. Center Bill Long of the Bearcats rated all-star honors for the third year in a row. Bearcat tackle Gary Reid and Linfield tackle Terry Picknell earned the award for a second straight year. The all-stars were selected by coaches Ted Ogden of Willamette, Paul Durham of Linfield, Joe Huston of Lewis and Clark, Paul Stagg of Pacific, Bob Thomson of Whitman and J. A. Brown of College of Idaho.

Hal Wood's Weekend Short Shots

SAN FRANCISCO (UPI) — Weekend shorts:
Says a pro-league scout: Stop the pitch-outs of Joe Kapp and the University of California offensive line will be slowed to a standstill. That's all Iowa has to do in the Rose Bowl. And with its vaunted speed, the Hawkeyes should not have too much trouble doing that. Making the Iowa 18-point odds look real good...
All major hotels in Reno, Nev., already are sold out for the 1960 Winter Olympic Games. One hotel, the Riverside, had to turn down a request from a major transportation company which wanted to buy out the entire hotel. Reno is 30 miles from Squaw Valley, site of the games.
Biggest laugh at Squaw Valley these days, incidentally, is the "fear" expressed in some Scandinavian periodicals that there will be no snow for the games. A survey of the weather charts for the last 30 years shows that the average depth of snow at the 7,000-foot level (where the ski events will be held) is more than seven feet. And there never has been a February when there hasn't been at least three feet of snow at that level...
Says Billy Newman, new manager of former world's middleweight light champion Carl (Bob) Olson: "Don't worry about the condition of Bobo during his comeback. He is in excellent condition, both mentally and physically. He is married now and seems to be very happy..."
Damen Miller, former president of the San Francisco Seals of the Pacific Coast League, now is accountant for the San Francisco Cow Palace.

Italy Sweeps 3-0 Tennis Win

MELBOURNE (AP) — Italy made a clean sweep of its Davis Cup tennis interzone semi-final with the Philippines today as Nicola Pietrangeli and Giuseppe Merlo scored victories in the concluding singles matches. Italy had clinched an interzone final berth against the United States by taking a 3-0 lead in Sunday's doubles victory. Pietrangeli defeated Miguel Duno 6-2, 6-2 and Merlo beat Juan Jose 6-2, 7-5, 6-1 for the sweep. The U.S.-Italy match will be played at Perth Dec. 19-21. The winner then challenges Australia.

No. Division Cagers See Mixed-Up Season

By THE ASSOCIATED PRESS
It looks like a crazy, mixed-up basketball season ahead for the Northern Division teams in the Pacific Coast Conference. Hardly anything came out as expected as the northern five tangled themselves up in non-conference games over the weekend. The highly rated Huskies of Washington came home with a question mark hanging over their heads after being dumped twice by Colorado. The Buffaloes ran up a startling 69-51 victory Saturday night, after winning the opener 70-63 in overtime.

TC Sets Up Pass Defenses

FORT WORTH, Tex. (AP) — Texas Christian's Horned Frogs return to the practice field today to start getting ready for Air Force Academy in the Cotton Bowl. Coach Abe Martin said pass defense would be the No. 1 item of the training grid. "My scout, Fred Taylor, says those guys really throw that ball, that it's the hardest hitting team he's seen all year, that Steve Gallos is the best fullback he's come across and that this fellow Rich Mayo sure can pass that ball and so can John Kuenzel," said Martin in a little breathlessly. But Martin said he still hadn't enumerated all the good points of the Falcons. "They use flankers, double-wing T, split ends, slot backs and just about everything that goes with a fine offense," Martin added. "We're going to have a lot of trouble with that crowd."

A squad of 68 will greet Martin as he opens one-day practice for the coming 12 days. Everybody is in top shape — "not even a bruise." Martin explained away TCU's defeat in its final game of the season against Southern Methodist Thursday and St. Louis Saturday. The three games should be a real test for Kentucky. SMU clouted Iowa 63-53 last Saturday and St. Louis made Ohio State its second victim 77-68.

These are indeed trying — and traveling — times for the teams like Kentucky that have begun to emerge as possible national powers. West Virginia, rated No. 1 last season in The Associated Press poll but an early loser in the NCAA playoffs, Kansas, Kansas State, Cincinnati, Northwestern, North Carolina State, Tennessee and a few others have been and will be scattering their appearances all over the map. Not until after the Christmas holidays will most of them settle down to serious conference competition.

Merrill Lions Schedule Shoot

MERRILL — The first annual Christmas turkey shoot sponsored by the Merrill Lions Club is scheduled for Sunday, December 14, between the hours of 9 a.m. and 4 p.m. The activities will be held one mile west of Merrill at the gravel pit. Heading the planning committee is Phil Smith. The events will include shotgun, 22 rifles, splatterboards and other special events. Ladies are welcome to participate in any or all events. Special prizes will be awarded. Refreshments will be available on location. Proceeds from this project will be directed toward the sight conservation program of the Merrill Lions Club.

Squaw Valley Ready As '60 Olympic Host

By HAL WOOD
SQUAW VALLEY, Calif. (UPI) — All the squawking about Squaw Valley can stop right now. Construction and other plans are so far advanced that, if necessary, the 1960 Winter Olympic Games could be staged here in 1959. In fact, if there was enough snow, the game could be held this weekend—at least as far as the skiing facilities are concerned. After listening to all the complaints from disgruntled former and would-be executives of the 1960 games, a thorough investigation of the facilities here today showed these things:
RUNDOWN ON CONSTRUCTION
All ski slopes are ready for action. The ski jump is 90 per cent completed. Three ski lifts now are in action, with one still to be completed. Outside work on the four dormitories to house the 1200 athletes and coaches, all completed. Two of these dormitories will have the inside completed in two months (in time for the North American championships). The huge press headquarters building is completed except for furnishing the inside. Reception center for athletes completed except for inside. Athletes' dining hall 60 per cent completed. Hockey rink completed. Ice arena, which seats 11,000, 65 per cent completed. Speed skating rink, 90 per cent for artificial freezing laid. Administration building completed and will be ready to move into next month. Unusually mild weather in November and so far this month has moved the contractors away ahead of their building schedule. While the ski tow operators of the region pray for snow, the men in

Syracuse Nats Bounce Celts From Top Spot

By THE ASSOCIATED PRESS
The Syracuse Nationals took a bow today for bouncing the Boston Celtics out of first place in the Eastern Division of the National Basketball Assn. In a home-and-home weekend series, the Nats whipped the Celts 101-92 at Boston Saturday and then repeated Sunday night with a 108-104 victory. As the result, the New York Knickerbockers, who were idle Sunday after losing 99-92 to Detroit Saturday, took over first place by a half-game margin over the Celts.

Illinois QB Whips Ills, Becomes Star

CHAMPAIGN, Ill. (AP) — A near-fatal ailment, a skull fracture and bad burns — that's the medical history of Johnny Easterbrook, the spunky 150-pound quarterback of the University of Illinois football team. Not even Coach Ray Eliot of Illinois knew until two days ago that a medical specialist once told Easterbrook's parents their son wouldn't live past the age of 15. Eliot first heard the story at a Lions Club dinner from Wirt Downing, principal of the East St. Louis, Ill., high school, who is a friend of Johnny's father. "I was flabbergasted," Eliot said, "but that's typical of Easterbrook."

MOORE-DURELLE Fight To Draw
MONTREAL (AP) — The Archie Moore-Yvon Durelle fight Wednesday night for the world lightweight championship may draw more money than Canadians ever have paid to see a boxing match. Promoter Eddie Quinn says the advance sale has nearly reached the \$80,000 mark, already more than the record Montreal gate of \$76,000 drawn by middleweight Laurent Dauthuille and Johnny Greco in 1949. Quinn figures the total will pass the Canadian record of \$120,000 grossed in Toronto for the Moore-James J. Parker fight two years ago.

Bobby Scanlon Seeks Revenge

SAN FRANCISCO (AP) — Bobby Scanlon, a 22-year-old boxing stylist, seeks revenge tonight against 30-year-old veteran Paoli Rosi in the Cow Palace. But Rosi, a hard-punching New Yorker, rates a 2-1 favorite to repeat his Oct. 13 knockout of Scanlon. The loss two months ago was the first in 83 fights for Rosi.

Richardson Awaiting Interzone Davis Test

MELBOURNE Australia (AP) — Ham Richardson, regarded as the mainstay of the U. S. Davis Cup team although he never has won a match in the Challenge Round, left his teammates behind today and headed for Perth to get ready for the interzone final against Italy. Richardson, as was to be expected, was the first named when Captain Perry Jones listed the four-man team to face the Italians at Perth Dec. 19-21. This is Richardson's fourth cup trip to Australia, and although he has played only in the interzone matches here, he is by far the most experienced of the Americans.

The others named were big Barry MacKay, Dayton, Ohio; Peruvian Alex Olmedo, Los Angeles; and youthful Earl Buchholz, St. Louis. Chris Crawford, 19, Piedmont, Calif., is the other member of the U.S. squad. Jones immediately dispatched Richardson to Perth, in dry, hot western Australia, to get adjusted to the conditions there. He was accompanied by Dinny Pails, the Australian pro who has been a longtime coach of the American squad.

"I thought it best to get Ham out to Perth to see how he reacts to the climate," Jones explained. "The rest of the boys will remain here until the last of our team is eliminated from the Victorian Championships." Buchholz performed sensationally at Sydney and MacKay and Olmedo are in the singles quarterfinals here. MacKay meets Spain's sensational Andres Gimeno Tuesday and Olmedo meets Australia's Mal Anderson, former U.S. champion. Jones emphasized that his

Van Buren Urges Brown

PHILADELPHIA (AP) — Cleveland's Jim Brown already has broken Steve Van Buren's National Football League season rushing record. Van Buren told Brown with some reservations. Brown got 138 yards rushing as the Browns won 21-14. He now has 1,379 against Van Buren's 1949 record of 1,146. But Brown didn't get the score he needed to tie Van Buren's 1945 record of 18 TDs. "He said he hoped I'd get two touchdowns and beat the record," Brown said, reporting his conversation with Van Buren. "With a grin, Brown continued: "Then Steve added he was figuring the Eagles would get at least four touchdowns."

choice of players for the singles and doubles matches against Italy will be decided by head-to-head competition when the entire squad reaches western Australia. Olmedo and Richardson are a likely doubles combination.
