

"I'M BUYING THEM," says Chamber of Commerce Manager Frank Tucker, here seen being pinned with a Success Dollar by Nona Cleek. "Every community has absolute obligations," Tucker said. "Ours is the responsibility of seeing to it that the humanitarian agencies supported by the Klamath County United Fund receive enough money to put their different programs into operation. There are no 'frills' in the program, just solid 'musts.' I hope that the current deficit in the '59 goal is made up through the sale of Success Dollars."

Thief Foils Own Robbery

ABERDEEN, Wash. (AP)—"Give me what you have in the drawer," the note handed to a bank teller here Wednesday said. "I have a gun in my pocket and somebody will get hurt."

Arno Oebser, teller at the Grays Harbor branch of the National Bank of Commerce, did what the note demanded. On the counter in front of the note's bearer, Oebser stacked nearly \$3,000 in bills.

The man stood there and, without touching the money, suddenly broke down.

"I just can't go through with this," he sobbed. "Call the police."

Oebser pushed a button which activated an alarm at the police station only a block away.

Police officers arrested and booked for questioning, Michael F. Murphy, 36, a part-time night watchman at a lumber mill here.

We're Having
BLITZ
DOLLAR DAYS
FRIDAY & SATURDAY
for you...

THIS IS A BLITZ DOLLAR

WHY?

Because, after the "clean-up" of the United Fund-Red Cross campaign for 1959, the goal was still \$27,000 short. It was \$5,000 less than the amount raised for operations of the agencies in 1958.

In face of the cold, hard facts that some services of your local agencies would have to be discontinued, it was decided to keep the drive open and give everyone a chance to help in this emergency.

WHAT?

Someone representing one of your local youth, health and welfare agencies — Red Cross, Boy Scouts, Campfire Girls, Girl Scouts, YMCA and Salvation Army — will ask you to buy a "Success Dollar" tomorrow or Saturday. It will be for just two days — a blitz — because time is running out.

Buy one... buy many! Your generosity at this Christmas Season will help make up the shortage. Every dollar will go completely and directly into the 1959 operating fund. Welcome the person selling blitz "Success Dollars." (That person will have an arm band identification.) Buy and show your "Success Dollars." Let's be proud of Klamath County and keep it going ahead.

If you don't have the opportunity to buy "Success Dollars" ... If you haven't had the chance to contribute to the regular United Fund-Red Cross campaign ... If you just want to do more for your community ... Use This Coupon
