

4-H NEWS

4-H CLUB COUNTY COUNCIL
YREKA — New officers were elected for the year at the 4-H Club County Council meeting at the County office in Yreka recently. Marie Brooks was elected president; Clarence Cross, vice president; Beverly Ashcraft, secretary; and Lawrence Lanning, treasurer. Melanie Dudley, Susan Tebbe and Shirley Silva, junior leader conference delegates, reported on the recent conference. Melanie pointed out the opportunity for junior leadership. In Susan's opinion, the new junior leader records are simple and easy to handle. Shirley stressed the importance of junior leaders in planning their project work with the adult leaders at the beginning of the year.

Bill Ruddiman, farm adviser, wound up the junior leader training session by repeating the qualifications for a junior leader.

SCHOLARSHIPS AVAILABLE
MONTAGUE — The December 10 issue of the Siskiyou County 4-H Club "Leadergram," a monthly bulletin through the Siskiyou County farm adviser's office, issued the statement that 4-H members, who are now seniors in high school and who plan on attending college, may be able to obtain a scholarship to help finance their college career.

Scholarships available for prospective college students are as follows: Alumni scholarships — 225 of these are available for other Berkeley or Davis campuses of the University of California, ranging in value from \$50 to \$500, averaging \$300; Standard Oil scholarship — Five \$500 scholarships are available to 4-H members in this region. Gary Townley and Hazel Ross, both of Montague, have received this scholarship.

California Farm Bureau scholarship — A \$400 scholarship is available to one applicant in this region; California Bankers Association scholarship — Two \$200 scholarships are available to 4-H members in this region.

National 4-H awards scholarship — Many of the national 4-H awards programs have \$400 scholarships as awards to national winners; national 4-H forestry award scholarship — This is a four-year \$1,600 scholarship available to 4-H members planning to major in forestry.

Any 4-H member desiring to apply for a scholarship should contact the farm adviser's office and fill out an application. This application must be in the hands of a selection committee by March 1, 1959.

M. V. Maxwell, farm adviser in the Yreka office, located in the courthouse at Yreka, has been designated as college entrance adviser for Siskiyou County by the University of California, and states that he would be glad to consult with any 4-H member on college courses and requirements for entrance.

DELPHIC 4-H CLUB
MONTAGUE — Vice President Shirley Brooks was in charge of the December meeting of the Delphic 4-H Club, which was opened by the flag salute, followed with the group singing.

Following the general order of business, which included the reading of the minutes, the treasurer's report and a report by the bulletin committee, the club members discussed ways and means of raising funds. The group scheduled a candy sale and the selling of Christmas greens for Monday, December 22, in Yreka.

Plans were made to adopt a safety program, followed with the showing of a safety film.

The meeting was closed with the 4-H pledge, after which refreshments were served.

FOUR DUSTERS AND SHUTTERBUGS
The meeting was called to order by Mrs. Billings, our hostess. The reason for the meeting was to find out what we were going to take up for the year. We decided on both cooking and photography, with five taking cooking and five taking photography.

We decided on "Shutterbugs" as a name for photography and "Dough Risers" and "Flour Dusters" were suggested as a name for the cooking project.

Officers elected were: Carolyn Sample, president; Ann Gibson, vice president; Shirley Shirk, secretary; Donna Rubens, news reporter; and Sandra Dorland, games and song leader.

The meeting was closed and refreshments were served.

The meeting was called to order by Carolyn Sample, president. Reason for the meeting was to find a name for our cooking club and to get our books on cooking and photography. We got our books and decided when our next meeting would be. Not much was said, so the meeting was over. Sandra Dorland and Donna Rubens served refreshments.

The meeting was called to order by Sandra Dorland. Only three came to the meeting, these were Janet Owens, Margie Stroup, and Sandra Dorland. Sandy Ebinger was a visitor at this meeting. Those at the meeting talked about what they had cooked and baked during the past week.

LABOR OF LOVE
TOKYO (UPI) — A big favorite in Red China's current musical hit parade is an ideologically correct ballad entitled "Three Young Men." Radio Peiping reported today.

"It is a song about the love of three young men for the same girl," the communist broadcast said. "The hardest worker — a model worker — wins the maiden."
