Varied Thefts Plague Police

Among thefts recently reported to city police are the following:

A 16-foot roll of four-foot heavy poultry wire was stolen from behind W. J. Easter's California Cash Grocery in the early hours of Sunday. Easter told police the car used by the thieves was a 1958 black and white Ford.

Frank Drew, 1991 Van Ness Avenue, reported to police that in the early hours of Saturday some boys in a car "with loud pipes" had stolen about three strings of outdoor Christmas tree lights from the tree beside his house. The lights were of mixed colors.

Leo F. Wallenburn, assistant manager of the Greyhound depot, reported that a Morse Sewing machine had been stolen off a luggage cart at the depot, shortly after midnight Saturday.

Two thefts from cars on Friday night were reported. Roy Sealey said that the battery was stolen from his car while it was parked in front of 1318 Nimitz Street. Joseph L. Morgan reported the theft of gas and gas cap from his car while it was parked in front of 1878 Melrose Street.

Sam Fleming, 203 Michigan Avenue, reported Friday that a set of red fender skirts was stolen from his car while it was parked in his yard, sometime during the two days preceding.

Herman Leffler reported Friday that while he was parked in a grocery parking lot on Oregon Avenue he had a 6.00x16 snow-capped tire, wheel and tube stolen from his pickup.

Patrol Car Hit; One Hospitalized

A city police squad car and a civilian auto collided at the intersection of Spring and Main streets Monday. The result was damage to both cars, hospitalization of one passenger, and two charges against the civilian driver.

Patrolman Victor Murdock said he was driving south on Spring Street when a car driven by Michael Arthur Robinson, 925 Addison Street, ran a traffic light and struck his patrol car.

Murdock said his car skidded 25 feet attempting to avoid the crash.

A passenger in Robinson's car, 16-year-old Diana Hayes, 2111 Halley Street, was admitted to Klamath Valley Hospital where she was retained pending X-ray examinations.

Police charged Robinson with running a traffic light and having no operator's license.
