### SQUEEZE IS ON

NEW YORK (UPI) - The makers of fold-up metals tubes see the day when they'll be packaging almost every product imaginable, including meat and cheese spreads, butter and sour cream, as well as such standbys as toothpaste. And, according to the Collapsible Tube Manufacturers Council, the woman of tomorrow will find shopping "easier because vending machines will sell her merchandise in unbreakable tubes at the drop of a coin." For a picnic, the Council added, you'll be able to pack "a variety of tubed food spreads and some bread and crackers. Fix your snacks as you go along - or better still, let the kids 'do-it-themselves'."

### LINCOLN COIN

ANN ARBOR, Mich. (UPI) - Officially, residents of Michigan are "Michiganites." But they've been known more commonly as "Michiganers" since the days of Abraham Lincoln, who coined that word in an 1848 address to the House of Representatives.
